Introduction

[This Page Left Intentionally Blank]

County Administrator's Budget Message

Members of the Board of County Commissioners
Wakulla County Commission Complex
3093 Crawfordville Highway
Crawfordville, Florida 32327

Honorable Chairman and Commissioners:

I am pleased to present the Final Fiscal Year 2014/2015 Operating Budget and Five Year Plan. The total final budget is \$42,333,116; an overall decrease of -2.3% from the current fiscal year budget as amended August 2014.

The intent of the FY2014/2015 budget process was to place a strong emphasis on continuing fiscal discipline. The overall fiscal health of the County has improved even as we continue to face challenging economic times. At the close of the previous fiscal year, the County's total net position had increased by \$1,929,620. In addition, the unassigned fund balance for the general fund was \$1,813,537, or ten percent (10%) of total general fund expenditures. This is an improvement over the prior fiscal year ending September 30, 2012, when the unassigned fund balance for the general fund was \$1,296,543 or seven percent (7%) of total general fund expenditures. Unlike the prior fiscal year ending September 30, 2012, the County was able to report positive balances in all categories of net position for the government as a whole.

Funding adequate reserves, using multiple year projections to determine each individual fund's stability and eliminating the use of cash balances to fund on-going operations continues to be a high priority. It is essential that the County maintain adequate levels of fund balance to mitigate risks and provide protection for revenue deficits. Staff has continued to trim the budget in some areas and reposition some dollars as needed in other areas.

Budget Process Overview

The formulation of the FY2014/2015 budget began in March 2014, with a meeting with all Constitutional Offices and BOCC department directors. The Board held its first budget workshop soon after, providing an opportunity to give staff direction in the budget development process and for the public to voice their opinions and concerns.

In accordance with Florida law, the maximum millage rate that may be approved by a simple majority (three out of five) vote of the Board of Commissioners is the roll back rate (or "roll-up" rate due to the decline in taxable value this year), calculated pursuant to section 200.065, F.S., adjusted for growth in personal income. That millage rate is 8.6731. At the first budget workshop, the Board directed staff to prepare the Final Budget with a millage rate of 8.5000. Significantly, this millage rate reflects a 2.00% property tax reduction below the county's roll back rate, as defined under state law.

The Board's direction to reduce countywide property tax revenues by capping the final millage rate at 8.5000 mills has created a deficit of \$124,699 in property tax revenues generated as compared to fiscal

year 2013/2014. In order to compensate for the reduction in property tax revenue, the budget has been prepared using the following principles:

1. Limited program growth across all general fund departments
2. Definitive Cost of Living Allocation (COLA) increase only for select employees
3. Millage rate capped at 8.5000 mills
4. Health Insurance increase to be absorbed by the Board
5. Reduction of operating costs when achievable
6. Conditional Cost of Living Allocation (COLA) increase for all county employees

General Fund Revenues

Wakulla County has diversified the approach to funding governmental operations. Reliance on Ad Valorem taxes which was traditionally done in the past has proven to be problematic over time. Property values in the County are still declining, even as surrounding Counties are experiencing mild increases. With the addition of the Public Service Tax (PST) in 2011 and Communications Service Tax (CST), the County is realizing a more stable funding source allowing for better cash flow management. The PST and CST also allow for more expansive penetration of the tax base, as they are collected from all residents of the county rather than just land and homeowners.

Ad Valorem Taxes. If approved during the final budget public hearing, the final millage rate utilized in this budget plan will generate \$8,616,323, of which 97.9% will be budgeted to support core government services within Wakulla County. The tax is broken down and \$7,411,199 is being sent to fund the Sheriff's Fine and Forfeiture Fund and the remaining \$1,024,308 will go towards supporting the General Fund operations in addition to an estimated \$10,000 in delinquent taxes. Of the amount going to support General Fund operations, \$250,000 has been set in a reserve line to be used possibly for a mid-year Cost of Living Allocation (COLA) increase for all county employees. The COLA is contingent upon several conditions as directed by the Board at the first public hearing. This final budget plan, in accordance with the Board's direction from the first two workshops of the FY2014/2015 budget development process, has been prepared using this proposed millage rate of 8.5000 mills as described above. As the gross taxable value for the County has decreased by \$14,670,453 or 1.43%, property (commercial and residential) owners should experience an overall net property tax decrease again.

PST and CST Tax. The final FY2014/2015 budget projects that the present rates levied will remain the same as the current year. The anticipated revenue increase of the PST is \$199,650 and is a result of additional population and a surge in the economic environment. The CST continues to be on the legislative radar for rate cuts and deductions during each session. Consequently, the anticipated increase of the CST is minimal at \$1,662. Analysts from the Florida Association of Counties follow this issue closely and lobby to reduce the impact of CST legislation on County revenue sources. Each tax is estimated to bring in the following:

- PST - \$1,228,650
- CST - \$840,000

Intergovernmental Revenues. These revenues come from various federal, state and local agencies and make up \$4,875,222 of the General Fund budget as listed individually below:

- Fiscally Constrained Counties appropriation - \$1,608,000 which is a reduction from the current year budget by \$18,072.
- Half Cent Sales Tax – \$1,719,390 which is an increase of \$26,874 from the current year budget.
- State Revenue Sharing - \$650,000 which is an increase of \$87,243.
- Race Track Fund - \$446,500 which is the same as last year. This revenue is split with the Wakulla County School Board.
- Miscellaneous Revenue - \$ 451,332 which is a decrease of \$4,559.

Local Revenues. These revenues are collected as fees charged for various county services, fines assessed and other miscellaneous revenues. The FY2014/2015 final budget for these revenues is \$1,541,123, an increase of \$179,712. The highlights of these local revenues are:

- Planning & Community Development Fees - \$122,100 which is an increase of \$30,357
- Probation Fees - \$121,000 which is an increase of \$8,500
- EMS Fees - \$875,000 which is an increase of \$75,000
- Building Fees - \$316,700 which is an increase of \$67,743

Transfers & Cash Forward. Interfund transfers in of \$203,392, an increase of \$105,000 and cash forward of \$711,273, a decrease of \$80,124 are planned for the FY2014/2015 final budget.

- Inter-fund transfers of \$13,392 for the E-911 Fund to support the GIS Mapping program, \$15,000 from the Building Department for building rent, \$50,000 from the Road Fund, \$70,000 from the Sewer Fund, \$15,000 from the Solid Waste Fund and \$40,000 from the Fire Department Fund for indirect administrative support based on previous cost allocation plans.
- The Cash Forward comes from \$433,271 set aside in the General Administration, \$4,500 set aside for the Community Center, \$100,000 set aside in the Library Grant and \$173,502 set aside in the Building Department for use as planned and directed by the BOCC to spend down the restricted fund balance.

General Fund Expenditures

The final General Fund budget for all programs and services under the Board of County Commissioners is \$10,823,304. This is an overall increase of \$512,006 or 5.0% over the previous year. This increase is summarized below:

- Salaries & Wages – increased \$132,012 due to wage adjustments to 9 employees and the introduction of a new department
- FICA tax – increased \$5,237
- Retirement costs – increased \$42,770 due to the State raising the mandatory employer retirement contribution rates*

Employee Type	FY13/14 Rates	FY14/15 Rates
Regular Class	6.95%	7.37%
Senior Management	18.31%	21.14%
Special Risk	19.06%	19.82%
Elected Officials	33.03%	43.24%
DROP	12.84%	12.28%

**Florida State Retirement System rates adjust July 1 of each fiscal year in accordance with the State of Florida fiscal year*

- Insurance costs – increased \$79,592 due to an 8.2% rate increase consisting of adjustments necessary for the implementation of the Affordable Care Act. The Board direction was to absorb the entire increase for the upcoming fiscal year.

Coverage Type	FY13/14 Rates	FY14/15 Rates
	Annual	Annual
Employee Only	\$ 5,961.36	\$ 6,447.24
Employee plus Children	\$ 10,134.36	\$ 10,960.32
Employee plus Spouse	\$ 11,922.72	\$ 12,894.48
Employee plus Family	\$ 17,884.08	\$ 19,341.72

**Budget projections in the five year plan assume the Board will only absorb 5% of the health insurance increase*

- Worker's Compensation and Unemployment Compensation – increased \$10,000
- Operating costs – increased \$90,377
- Equipment costs – decreased \$11,663
- Transfers to other funds and agencies – decreased \$317,733
- Budgeted Reserves for Contingencies increased – \$481,414

The following are highlights of each General Fund departmental FY2014/2015 budget.

The **General Administration** departments encompass a wide variety of county-wide expenses. The key components of Administration are:

- County Attorney - \$218,235, an increase of \$12,416 due to anticipated litigation with Gulf Group Construction
- County Auditor - \$81,050, an increase of \$1,589 due to a contractual CPI increase
- Worker & Unemployment Compensation - \$125,000, an increase of \$10,000
- Property & Liability Insurance - \$339,735, an increase of \$15,521
- Employee Flex Plan - \$125,000
- Professional Services - \$49,000, an increase of \$39,775 due to expenses related to One Cent Sales Tax education for citizens
- Aid to School Board - \$247,250
- Budgeted Reserves - \$490,170, an increase of \$366,627
- Inter-fund Transfers - \$84,115, a decrease of \$4,044

Each year the Board approves funding for local service agencies and organizations, State mandated health and human service costs and various memberships to organizations that perform critical public services that may otherwise fall to government to perform. The services provided by these agencies greatly enhance the quality of life for residents of the County. In addition, these organizations also leverage substantial private sector and state funding and support for these human service-type programs.

The final FY 2014/2015 budget includes \$591,752 of funding for these initiatives. Below is a list of these expenditures:

- **Memberships** – Florida Association of Counties, Small County Coalition, Apalachee Regional Planning Council, Municipal Code Corporation, and Wakulla Chamber of Commerce - \$35,535

- **Health and Human Services** - \$556,217. A breakdown of these services are:
 - Medicaid cost share \$291,593, an increase of \$14,133
 - Health Department contribution \$55,000
 - Senior Citizen’s Center contribution \$69,101
 - Medical Examiner \$56,523, a mandated 2% increase of \$1,108
 - Sanity Inquisitions \$55,000
 - Other miscellaneous services \$29,000

The Board’s ability to maintain funding for these services is an outstanding achievement and indicative of the ongoing support of these initiatives.

It should be noted that the County is also mandated to participate in the County and State Juvenile Detention Cost Share Project, which collects funds from each county as a means of funding for pre-dispositional costs for the Florida Department of Juvenile Justice. Wakulla County’s portion is roughly \$50,000 annually and is currently paid by the State due to Wakulla County being designated as a Rural Area of Critical Economic Concern (RACEC). Should the County lose its RACEC designation, it would be obligated to budget for this expenditure each year.

The **Board of County Commissioners** department’s final budget of \$304,588 increased \$27,109. This increase is due to statutory salary requirements (F.S. 145) provided annually by the Office of Economic and Demographic Research, health insurance and retirement costs. Operating costs decreased by \$1,000.

The **County Administrator** department’s final budget of \$492,386 increase \$34,498. One employee is budgeted to receive a Cost of Living Allocation increase. Salaried wages for this department are increasing \$12,976, hourly wages will increase \$5,246, health insurance costs increase \$25,438 and retirement costs increase \$6,772. Operating expenses will decrease by \$14,800.

The **Collections** department’s final budget is \$105,223. This is a new department that will consist of two full-time, benefited employees. One of those positions will be occupied by an existing employee who will be reallocated from the Emergency Medical Services department. This employee is currently performing the single task of EMS billing and will serve as an Administrative Assistant for the Collections department. An additional position to be known as Collections Coordinator will be added. This individual will be responsible for multiple duties. Those duties include providing concise management reports summarizing each months activities, establishing a system by which county citizens are able to make

payments electronically, and oversight of collecting County revenue including EMS billing, Riversink water billing, sewer billing, fuel billing, parks and boat ramp collections, other miscellaneous County revenue and PST enforcement. Currently, these functions are performed by several different departments, the City of Sopchoppy Water System (COS) and Panacea Area Water System (PAWS). The County compensates COS and PAWS at the rate of \$2.50 for each customer to include sewer billing on their monthly water bill. Approximately 21,800 bills are sent out annually by these two organizations. The County sewer billing for Talquin customers, approximately 7,200 annually, is performed by ESG Operations, Inc. (Public Works). By bringing all responsibility for collections under a single department, the County could potentially realize an estimated \$12,500 in savings annually from discontinuing payments to COS, PAWS and a reduction in ESG Operations, Inc. annual contract amount. The department will also be able to improve efficiency and take a more proactive approach to enforcing the penalties of non-payment, while improving service to the citizens. Please see the tables below for specific details of the changes.

	Annual Billings:	Compensation to Billing Agency:
Cost Savings - City of Sopchoppy	10,644	\$ 26,610.00
Cost Savings - Panacea Area Water	11,136	\$ 27,840.00
Cost Savings - ESG Contract Reduction*	7,200	\$ 25,000.00
Interfund Transfer to General Fund 001		\$ (70,000.00)
Sewer Fund 435 Net Cost Savings		\$ 9,450.00

**This is estimated based on discontinuing Talquin sewer billing*

General Fund Department Changes:		
Transfer in to General Fund 001		\$ 70,000.00
EMS Dept Reduction	1 employee	\$ 38,237.82
Collection Dept Expense	Hourly Wages	\$ (71,215.00)
Collection Dept Expense	FICA	\$ (5,448.00)
Collection Dept Expense	Retirement	\$ (5,249.00)
Collection Dept Expense	Health Insurance	\$ (16,812.00)
Collection Dept Expense	Office Supplies	\$ (6,500.00)
General Fund 001 - Net Cost Savings		\$ 3,013.82

**These estimates are conservative and do not factor in additional County revenue that can be recovered by having a department dedicated to the single function of collections and enforcement.*

The **Planning and Community Development** department's final budget of \$291,992 increased \$14,178 while revenues increased by \$30,357. The increase in revenue is a result of the additional activity generated by collections from violation searches and Code Enforcement fines. The increase in expenses was due to reallocation of some activities that were formerly performed by the Code Enforcement department and increased health insurance costs.

The **Code Enforcement** department was eliminated during the FY2013/2014 fiscal year. The revenue, expenses and duties have been reallocated to the Planning and Community Development department using existing personnel. The final budget of \$0 is a decrease of \$113,816

The **Animal Control** department's final budget of \$217,799 increased \$30,271. This increase is primarily due to the resignation of CHAT and the additional expenses of taking over the responsibilities of animal adoption services and is offset by increased revenue of \$16,312 to reflect additional fees collected from those adoption services. The department is going to implement pet adoption on a trial basis to assess the need and fiscal feasibility of performing this service for the citizens of the county.

The **Airport** department's final budget of \$6,176 increased \$226 due to additional funding for property insurance.

The **Library** department's final budget of \$434,234 increased \$55,115. The Library's budget is comprised of \$211,500 in General Fund revenue support, \$22,000 in Friends of the Library support and \$200,734 in State Grant funding. The General Fund support increased \$3,227, and the State Grant funding increased \$51,888. The net increase in funding is due to more State Grant cash forward being budgeted in the coming year.

The **Agricultural Extension** department's final budget of \$180,792 increased \$14,203 due to health insurance costs and retirement costs. Those increased expenses were offset by a \$12,529 decrease in operating expenses.

The **Facilities Management** department's final budget of \$359,839 decreased \$17,337. There is a substantial decrease of \$58,780 in anticipated expenses for the fuel contamination cleanup that is being mandated by the Florida Department of Environmental Protection (FDEP). Maintenance and repair has been increased by \$20,000 due to the continuing degradation of County facilities and \$10,000 has been allocated for energy efficient upgrades.

The **Probation** department's final budget of \$162,625 increased \$2,927. Health insurance and retirement costs increased \$3,990 and operational costs decreased \$4,350. Revenue also increased \$8,500.

The **Veteran's Service** department's final budget of \$21,111 decreased \$21,889. This decrease is due to the Board's decision to only staff the department with one part-time employee working 4 hour days, alternating morning and afternoon shifts.

The **Emergency Medical Service** department's final budget of \$1,774,159 increased \$97,411. There are several changes affecting the EMS budget. Revenue from the collection of patient billings is projected to increase \$75,000 due to continuing measures to improve management of the billing and collection process. Also, one employee is being reallocated from the EMS department to the Collections department resulting in a reduction of \$38,238. One Emergency Medical Technician is receiving an increase in wages due to additional duties involving the coordination of Wakulla County Fire and Rescue (WCFR) public education campaign. This employee is responsible for scheduling and promoting WCFR presence at local events, school functions and County recreational activities. Also, some employees that have received dual-certification status will be adjusted in accordance with the Wakulla County Personnel Policy and Procedures Pay and Classification plan. Wage related costs increased \$49,411 and health insurance and retirement costs increased \$28,630. It should be mentioned that the majority of employees in the EMS

department are in the Special Risk Category of the Florida Retirement System (FRS) with an employer contribution rate of 19.82%. Operating costs increased \$19,370. The rising cost of fuel and medicine account for \$18,000 of the operating cost increase.

The **Recreation** department's final budget of \$261,037 increased \$16,350. A large portion of the increase is due to health insurance and retirement costs of \$12,540. Also, a reserve line of \$4,500 has been funded based on the reimbursement for operating expenses by the Wakulla County Coalition for Youth (WCCY) who currently occupies the Community Center. The intent of establishing a reserve line for this facility is a contingency in the event the WCCY does not continue to receive grant funding and is unable to reimburse the county for utility expenditures.

The **Parks** department's final budget of \$276,797 decreased \$562. Revenue increased \$3,710. Health insurance and retirement costs increased \$4,635 and operating costs decreased \$4,550.

The **Building** department's final budget of \$ 490,202 increased \$122,887. Several factors are involved in this increase. Foremost, the Building department revenue increased \$97,887. A reduction in residential inspection fees in the prior fiscal year in order to aid in reducing the fund balance of these restricted funds and help to ease the cost of building in the county was countered with an economic upturn and an increase in demand for building permits. Also, an additional building inspector is scheduled to overlap several months of a currently employed inspector in anticipation of his retirement and one inspector is scheduled to receive an increase pending completion of certification. In addition, the Building department will be replacing a service truck as well as purchasing new hardware and software that will enable them to integrate building codes and Graphic Information System (GIS) more accurately, efficiently and in conjunction with the Planning and Community Development department. Personnel costs, including health insurance and retirement costs, increased \$61,948 and operating costs increased \$60,939, including \$42,203 in budgeted reserves. Based on multiple year projections, the restricted fund balance will drop slowly until FY2019/2020, therefore the Board may wish to consider another reduction in the residential fee structure in the future.

Neither the FY2014/2015 Final Budget nor the Five Year Plan fully addresses all the infrastructure and building maintenance needs of the County. One Cent Sales Tax is a critical part of the County's funding sources for projects such as these. It is crucial that public awareness of the renewal of this tax is promoted well in advance of its expiration scheduled December 31, 2017. Below is a list of items not addressed:

- **Maritime Museum Site.** The funding for this project has not come to fruition as planned by Florida Foresight. A new plan for this property needs to be created.
- **Community Center Gymnasium Restrooms.** Currently, the only restroom facilities at the Community Center are inside the west building, making it necessary to have staff available to keep that building open every time there are events taking place in the gymnasium.
- **Medart Fire/EMS Station 5.** The building is in need of major renovation.
- **Class A Fire Engines.** The average age of the Class A Fire Engines in the County is 19 years old. Over 80% of them are 17 years or older. To replace just one Class A Fire Engine costs in excess of \$330,000, therefore the County has not replaced one in over a decade. The revenue generated by the Fire MSBU has not been enough to cover both operating costs and capital expenditures.

- **BOCC Administration Complex.** FDOT is moving up funding for the expansion of HWY 319 to four lanes from the Tallahassee Airport to HWY 98 and eventual relocation of the building will be needed.
- **Sewer Force Main** on HWY 319. This will need to be relocated to just outside the right of way due to future expansion of HWY 319 to four lanes.
- **Lift Station maintenance and replacement.** The county owns and operates 73 lift stations and the annual budget for major maintenance and replacement is only \$110k. Major overhaul of just one lift station costs approximately \$300,000.
- **Animal Control Shelter and Office.** The facility is very old and in need of major renovations. The work environment for our employees and the living conditions for the animals are poor. The department is scheduled to move into the facility that was formerly occupied by CHAT. However, the kennel area will still be used even as the condition continues to deteriorate.
- **Public Works Facility.** The roof needs to be replaced and storm drainage corrected around the building. The second floor office is not handicap accessible, limiting some citizen's access to that facility. Plans to relocate to the first floor area or an alternate facility are imperative.
- **BOCC Meeting Chamber** relocation.
- **Newport Park Renovation.** The parks infrastructure is in need of renovation. Newport Park is projected to generate \$35,000 in the current fiscal year from recreational vehicles and camping site rentals.
- **Road and Bridge Fleet Replacements.** The average age of vehicles and equipment is 10 years old. Public Works keeps detailed maintenance records for each piece of equipment. These records show that once a piece of equipment reaches a certain age, the cost of maintaining the equipment becomes excessive and it is more fiscally prudent to replace the equipment. Revenue in the Road department has not kept pace with the need to replace the fleet before the age of diminished return.

Special Revenue Funds

The following are highlights of some of the major Special Revenue Funds FY2014/2015 budget.

The **Boating Improvement** Fund final budget is \$95,135. This fund's revenue is comprised of collection of boat ramp fees, annual passes and boat registration fees. The expenditure of these proceeds occurs primarily on boat ramps and marine related maintenance and construction. Revenue monitoring reports demonstrate which ramps are used most frequently and that information is taken into consideration when planning construction and improvements.

The **BP RESORE ACT** Fund final budget is currently \$10,000, a decrease of \$65,000. The only expense budgeted in this fund is for payment to the Gulf Consortium, an organization that is integral in the ongoing process to make these funds available to the effected counties. It may be several years before litigation is complete and the rules for spending the funds are finalized. This budget could change dramatically based on those facts.

The **Road Department** Fund final budget is \$2,468,581. Anticipated expenses include the purchase of the following replacement equipment: one arm-mower, one skid-steer, one zero turn mower, 3 dump

trucks and 3 road graders on a lease/buy-back agreement. Funds have been budgeted for various bridge repair based on age and safety requirements.

The **Fire Municipal Services Benefit Unit** (MSBU) is the mechanism used to fund the fire service operating expenses and equipment for both the 1 professional and 10 volunteer fire service units. The final budget of \$1,345,429 *does not* request an increase in the MSBU rate of \$75. This budget has increased by \$77,158 over the previous year. The needed repairs to Station #8 are scheduled to be completed in FY2014/2015. There is also \$50,000 budgeted for replacement of Self Contained Breathing Apparatus (SCBA) to remove some outdated equipment from service. Three employees are receiving pay increase due to a change in job position classification contingent upon completing dual certification.

Capital Improvement Funds

The following are highlights of some of the major Capital Project Funds FY2014/2015 budget.

The **Capital Projects** Fund final budget is \$735,000. The major project is the construction of a boat ramp at Shell Point.

The **One Cent Sales Tax** Fund final budget is \$2,762,916. One Cent Sales Tax revenues are estimated to increase \$83,374 in the coming fiscal year. \$865,000 of this budget is cash being carried forward to complete these scheduled projects. The major projects to be funded by the One Cent Sales Tax are:

- \$125,000 to repair Stephen C Revell bridge
- \$480,000 in road striping and resurfacing as determined by safety factors
- \$75,000 for EMS Facility design
- \$40,000 for EMS chest compression units
- \$54,000 for air conditioning unit replacement in the jail and Animal Control facility
- \$100,000 for 2 replacement fleet vehicles for Fire and EMS
- \$75,000 for Fire Station 11 housing upgrade
- \$45,000 transfer to Riversink Water for purchase of an emergency generator
- \$275,000 for Parks & Recreation equipment, lighting and various project construction
- \$361,163 for debt service payments
- \$639,759 for budgeted reserves

The **Road Paving** Fund final budget is \$1,029,000. The funds are provided by several Florida Department of Transportation grant programs such as SCRAP, SCOP, CIGP and SGIP. The roads that will be resurfaced using these grants funds are:

- Spring Creek to Hwy. 98 South – this project started in FY2013/2014.
- High Drive & Ocklockonee Street – this project started in FY2013/2014.
- Bostic Pelt Road – this project started in FY2013/2014
- Trice Lane – this project started in FY2013/2014

- Springhill Road at 267 to Leon County line – this project started in FY2013/2014
- Sidewalk installation Arran Road
- SR 363 Woodville Highway SR 30 to Lean County line

Enterprise Funds

The following are highlights of the Enterprise Funds FY2014/2015 budget.

The **Wastewater** Fund final budget of \$4,961,020 an increase of \$2,893,119 and *does* include an annual CPI rate increase of 2.7% to cover increases in chemical and testing costs. The budget assumes the USDA Rural Development program will provide interim financing of \$2,600,000 for the expansion of the Otter Creek WWTP which if successful will allow an increase in capacity of 0.600 MGD and allow for the refinancing of the existing outstanding debt, therefore repositioning this fund to be solvent moving into the future.

The **Riversink Water** Fund final budget of \$127,511, an increase of \$70,867 *does* include an annual CPI rate increase since the rates were not adjusted for FY2013/2014. The increase in the total budget is primarily due to cash forward and an interfund transfer from One Cent Sales Tax being budgeted for the purchase of an emergency back-up generator.

The **Solid Waste** Fund final budget of \$3,857,150, a decrease of \$40,222, *does not* request an increase in the Solid Waste fee of \$196. The decrease in total budget is primarily due to the nearing completion of the landfill closure as required by the Department of Environmental Protection. This project began in FY2012/2013 and is expected to be completed in FY2014/2015. Currently, this fund will not be able to sustain the necessary fund balance and the scheduled payback of the loan without an increase to the current fee structure. By annually applying the CPI rate increase, it allows for less significant impact to property owners, rather than delaying the rate increase and making it necessary to do a larger correction in a single year.

Reserves

While \$1,706,488 has been set aside in various reserves in FY2014/2015, \$4,521,994 of existing cash has been budgeted to be spent on various capital projects. Below is a breakdown of the use of reserves of the County's major operating funds. Also provided is the fund's anticipated FY2014/2015 ending reserve levels which is highly dependent upon the current FY2013/2014 ending fund balance levels.

<u>Fund</u>	<u>FY 2014/2015 Reserve</u>	<u>Total Estimated FY2014/2015 Ending Fund Balance</u>
General Fund	\$590,170	\$2,370,797
Building Department Fund	\$42,203	\$661,504
Sheriff Fine & Forfeiture Fund	\$100,000	\$1,003,521
Road Department Fund	\$32,228	\$641,304
Fire MSBU Fund	\$54,416	\$687,054
1 Cent Sales Tax	\$478,759	\$789,920
Sewer Fund	-	\$531,839
Solid Waste Fund	\$127,934	(\$71,087)

Constitutional Officers

Constitutional Officers provide services ranging from property appraisal and tax collection to law enforcement and court services, election services and financial and accounting services. The FY

2014/2015 final budget for all constitutional offices is \$12,529,201, a \$368,955 decrease over the previous fiscal year. All of the constitutional offices are funded primarily through General Fund revenues.

The **Clerk of Court's** final budget of \$554,298 is an increase of \$8,764 and the result of FRS retirement and CHP health insurance rate increases. The Board funds only a portion of the Clerk's total budget. The Board provides funding for finance, accounting and budgeting functions and Clerk to Board official records functions. The Clerk's office receives additional funding for court-related services, county recording services and information technology needs through the collection of fines, fees and service charges. The Clerk's Office also receives a Child Support Enforcement grant to help defray the cost of child support enforcement services.

The **Property Appraiser's** final budget of \$988,387 increased by \$23,706, the result of FRS retirement and CHP health insurance rate increases. The Property Appraiser receives a small amount of funding from the Northwest Florida Water Management District. The Property Appraiser is responsible for determining the value of all property within the County. The Property Appraiser is also responsible for maintaining property ownership records, parcel ownership maps, and administering all tax exemptions.

The **Sheriff's** final budget of \$9,906,311 decreased by \$450,935 compared to last year. The Sheriff's budget is accounted for in the **Fine and Forfeiture Fund**. This fund allows the Sheriff to utilize all of the Housing Prisoner Revenue along with all associated Housing Prisoner Revenue reserves as well as General Fund revenue funding in support of Law Enforcement, Corrections and other public safety functions. The Sheriff's Office also receives several grants to help defray the costs of providing its various law enforcement and corrections related duties.

The **Supervisor of Election's** final budget of \$368,044 increased by \$9,345, the result of FRS retirement and CHP health insurance rate increases. The Supervisor of Elections is responsible for maintaining voting records and registration and supervising, tallying and reporting the votes cast by Wakulla's citizens in its various elections. The Supervisor of Elections is also responsible for maintaining all candidate forms and reports. The Supervisor of Elections receives grants from time to time to help defray the costs of supervising elections and providing necessary election equipment.

The **Tax Collector's** final budget of \$712,161 is an increase of \$40,165. The Tax Collector's office is responsible for the collection of the County's ad valorem taxes, MSBU fees and Solid Waste assessments as well as other miscellaneous local fees. The Tax Collector is also the local agent for several State agencies. The Tax Collector collects taxes for the Department of Revenue, vehicle and boat registration and driver's license renewal fees for the Department of Highway Safety & Motor Vehicles and hunting and fishing licenses for the Florida Wildlife Fish & Game Conversation Commission.

The County's financial condition continues to improve each year. The Board must keep the goal of continuing that trend in an effort to build a fiscally resilient financial state that will endure the economic changes and uncertainty of the coming years. I encourage any questions and discussion that will benefit the budget process and the transparency of local government. By working together, the County can attain prosperity, cohesiveness and financial sustainability.

In closing, I would like to express my appreciation to the Board, County staff and Constitutional Officers who have contributed and given guidance to this budget preparation process. I maintain my confidence that improvements in the annually crafted budget plan will continue to increase the quality, efficiency and transparency of Wakulla County government services for our citizens.

J. David Edwards
County Administrator

Reader's Guide To The Budget

The Wakulla County budget document is intended to provide information in a way that is easily understood by a reader not familiar with the day to day operations of Wakulla County. The budget document outlines the operations of Wakulla County and is also intended to serve as a policy document, financial plan, and guide for county departments and programs. The Reader's Guide provides basic budgeting information and a summary of each section found within this budget document. The following is a brief description of the information included in each section of this document.

Section 1 – Introduction

Administrator's Budget Message

This section briefly summarizes the recommendations and goals proposed by the Board of County Commissioners in establishing the upcoming fiscal year 2014/2015 budget, the current financial status of the County and the final proposed budget for the General Fund, Special Revenue Funds, Capital Project Funds, Enterprise Funds and the total County-wide budget.

Overview of the County

This section provides information regarding various aspects and trends of the County such as geographic data; demographic data on population and housing; economic data on employment, education, income, business and tourism.

County Government

This section provides information regarding the formation and structure of the County's government, its elected officials, and administrative leadership. This section also includes a County Organizational Chart as approved and amended by the Board of County Commissioners.

Budget Calendar

This section provides an outline of the budget calendar and budget adoption process as adopted and amended by the Board of County Commissioners. The budget calendar complies with all applicable Florida Statutes and the rules of the Florida Department of Revenue's Truth In Millage (TRIM) process.

Budget Process and Financial Policies

This section outlines the budget adoption and budget amendment processes. It further provides for the budget and financial policies which guide the Budget Officer and County staff throughout the budgeting process.

Section 2 – Fiscal Year 2014/2015 Budget Summary

This section summarizes the total County-wide budget with two schedules. It also summarizes the General Fund, Special Revenue Funds, Capital Project Funds and Enterprise Funds with a brief description outlining the changes over the previous year followed by a schedule comparing FY2010/2011 actual data, FY2011/2012 actual data, FY2012/2013 actual data, FY2013/2014 budget and actual data through July 31, 2014, and the final proposed FY2014/2015 budget. Each schedule also summarizes revenues and expenditures by category, functions and type.

Section 3 – Fiscal Year 2014/2015 Detailed Budgets

This section outlines the County's General Fund revenues and expenditures by department by detailed line items. A brief outline of each department is provided before the department's FY2014/2015 final budget. A comparison to prior FY2010/2011, FY2011/2012, FY2012/2013 and FY2013/2014 through July 31, 2014 is also provided.

Following the General Fund Departmental Detailed Budgets is a detailed budget for every Special Revenue Fund, Capital Project Fund and Enterprise Fund. A brief outline of each fund is provided before the fund's FY2014/2015 final budget. A comparison to prior FY2010/2011, FY2011/2012, FY2012/2013 and FY2013/2014 through July 31, 2014 is also provided.

Section 4 – Historical Data

This section includes a history of the County's major revenues, ad valorem millage rates, ad valorem taxable values, General Fund cash balances and a County-wide long-term debt schedule.

Section 5 – FY 2015/2016 to FY 2019/2020 Five Year Plan

This section includes a brief explanation of the forecast summaries and assumptions made in the current five year plan. Included is the five year plan for fiscal years 2015/2016 to 2019/2020 for the General Fund, and the major Special Revenue Funds, Capital Project Funds and Enterprise Funds. These five year plans provide a long-term picture of the impact of current budget policies, trends and goals on the County's finances and fund balances and the financial feasibility of those policies, trends and goals in the long term.

Section 6 - FY 2014/2015 Constitutional Officers Detailed Budgets

This section provides a detailed line by line budget for each Constitutional Officer. For the current fiscal year, actual expenditure data through March 31, 2014 and the approved budget are provided. For FY2014/2015, the requested budget and final proposed budget data is provided.

Overview of County

Geographic

Wakulla County (the County) is located in the “panhandle” of North Florida and consists of 606.42 square miles with approximately two-thirds of this land area being preserved by national, state and local forests, preserves, sanctuaries, management areas and parks. Wakulla County borders Leon County to the north, Liberty and Franklin Counties to the west, Jefferson County to the east and the Gulf of Mexico to the south. With only two small incorporated towns, Sopchoppy and St. Marks, Crawfordville is the only unincorporated county seat in Florida. Crawfordville is centrally located within the County along the main arterial route U.S. Highway 319. Crawfordville is bound by the Apalachicola National Forest to the west and the St. Marks National Wildlife Refuge to the east and south.

Demographic

Population – The County’s population according to the 2010 census was 30,776. The estimated 2013 population is 30,869, an estimated increase of 93 persons or 0.1% increase. The estimated growth rate for the next 5 years is approximately 4.3% resulting in an estimated population of 32,084. The 10 year projection is 8.6% growth resulting in an estimated population of 34,844. Wakulla County was 42nd on the U.S. Census Bureau’s 2010 list of the 100 Fastest Growing Counties in the United States from 2000-2009. The average number of persons per square mile as of 2013 was 50.9 while the state average was 359.2.

Housing – In 2010 there were 12,804 housing units, of which 10,490 (81.9%) households were occupied with 8,490 (80.7%) of those houses being owner occupied. The average household size was 2.61 persons per household with 44% of those households reporting children under the age of 18. The median value of owner-occupied housing (2007-2011) is \$136,900. Property valuations have taken a major decline with the national slow-down in the housing market. Property values have averaged an 8-10% decrease over the last 5 years. Property values for 2013 are expected to decline slightly again and move towards leveling off over the next several years. New home construction has declined dramatically over the last ten years. In 2000, 394 housing permits were issued; in 2010, 81 permits were issued (a 79.4% reduction); in 2011, 47 permits were issued, a 42% reduction over the prior year and an 88% reduction since 2000. In 2012 the number of permits issued was 51 showing slight growth. In 2014, 78 permits have been issued demonstrating a rise in new home construction.

Economic

Employment – The average annual wage in 2012 was \$30,776 (the state average was \$43,210). The largest employer by category was Government (State and Local) with 36.3% of the workforce in 2012. In 2010, 64.5% of the County’s population was in the workforce with 8.3% unemployed. In 2013, 62.9% of the County’s population was in the workforce (a 1.6% reduction) with 5.6% unemployed (a 2.7% reduction). In comparison, the State average for 2013 is 61.8% of population in the workforce with 7.0% unemployment. In 2012, 60% of residents were employed outside the county.

The largest private employers in Wakulla County are St. Marks Powder Plant employing approximately 350 people; Wal-Mart Super Center employing approximately 335 people; and North CSG Systems employing approximately 200 employees.

The largest public employers in Wakulla County are the Wakulla County District School Board employing approximately 700 people and Wakulla County employing approximately 335 people.

Education – The number of persons age 25 or older with a high school diploma or higher education was 86.5%. The number of persons age 25 or older with a bachelor’s degree or higher education was 17.3%. In comparison, the State average is 85.5% and 26.0% respectively.

The primary public education is provided to grades Pre-K through 12 by the Wakulla County District School Board through one high school, Wakulla High; two middle schools, Wakulla Middle and Riversprings Middle; four elementary schools, Crawfordville Elementary, Medart Elementary, Shadeville Elementary and Riversink Elementary and one education center, Sopchoppy Education Center, which focuses primarily on drop-out prevention. Other primary education centers located in Wakulla County are Wakulla Christian School and Wakulla’s C.O.A.S.T. Charter School.

Secondary education is available within the County at Wakulla Adult Education Center and Tallahassee Community College. Other regional secondary education centers include Florida State University, Florida A&M University, Tallahassee Community College, Keiser College, Lively Vocational and Technical Institute, and Taylor Technical Institute.

Income – In 2010, the per capita personal income was \$29,130 and, in 2011, it was \$29,767. The State average for 2011 was \$39,896. The median household income (2007-2011) was \$53,385 while the State average was \$47,309 for the same period. The number of persons living below the poverty level (2007-2011) was 16.1% while the State average for the same period was 17.2%.

Business – Commercial development has seen a significant decrease over the last several years and is not expected to grow substantially in the near future. In 2010 there were 417 private non-farm establishments in Wakulla County employing 3,155 employees with a total annual payroll of \$88,746,000 which averages to \$28,129 per employee. In 2011 there were 402 establishments in Wakulla County employing 3,100 employees (a reduction of 55) with a total annual payroll of \$86,762,000 (a reduction of \$1,984,000) which averages to \$27,988 per employee (a reduction of \$144). Of the 417 establishments in 2010, 264 (63.3%) employed 1-4 employees (63.3%) and only 7 establishments (1.7%) employed more than 50 employees. Of the 402 establishments in 2011, 258 (64.2%) employed 1-4 employees and only 6 establishments (1.5%) employed more than 50 employees. Retail sales per capita in 2007 totaled \$5,544 while the State average was \$14,353.

Tourism – Tourism provides a major boost to Wakulla’s economy each year. The County has an abundance of recreational and wildlife opportunities and historical and cultural attractions.

Recreational opportunities include: bicycling, bird watching, boating, camping, canoeing, diving, fishing, hiking, hunting, golfing, kayaking, sailing and many sports programs.

The County’s wildlife and historical attractions include: Apalachicola National Forest, St. Mark’s National Wildlife Refuge and Lighthouse, Big Bend Scenic Byway, St. Mark’s Historical Trail, San Marcos de Apalachee Fort and Museum, Natural Bridge, Ochlocknee River State Park and Wakulla Springs Lodge and State Park.

The waters of Wakulla include the Ochlocknee River, Sopchoppy River, Wakulla River, Apalachicola Bay and numerous springs and sinks. All of these waterways can be reached by numerous public access boat ramps and facilities.

The County’s cultural events and festivals include: Big Bend Classic Fishing Tournament, Blue Crab Festival, Chamber of Commerce Annual Trade Show, Earth Day Celebration; Natural Bridge Re-Enactment, Veteran’s Day parade, Rotary Club Valentine’s Day Parade, Shell Point Sailboat Regatta, City of Sopchoppy 4th of July Celebration, Sopchoppy Worm Gruntin’ Festival and St. Mark’s Humanatee Celebration.

County Government

Wakulla County is a political subdivision of the State pursuant to Article VIII, Section 1(a) of the Constitution of the State of Florida. The County is a Chartered County pursuant to Article III, Section 1(c) and (g) of the Constitution of the State of Florida. Wakulla's citizens, pursuant to Florida Statute 125.8, approved a home rule charter on a ballot initiative on November 4, 2008. The Board of County Commissioners (the BOCC) codified the governance of its Home Rule Charter in Wakulla County Ordinance 2008-14. The Charter became effective on January 1, 2009 making Wakulla County the smallest Charter County out of twenty in the State of Florida. In 1968, the electors of Florida granted local voters the power to adopt charters to govern their counties. Charters are formal written documents that confer powers, duties or privileges on the county. They resemble state or federal constitutions and they must be approved, along with any amendments, by the voters of a county. Under a charter form of government, the county has all the authorized powers of self-government except those specifically prohibited or pre-empted by the State. The charter approved by the citizens of Wakulla does the following:

- maintains the pre-existing government structure
- encourages citizen participation
- allows for the county to govern itself on issues of local concern at the local level
- provides additional power to the people to propose ordinances and charter amendments by the public petition process by obtaining 30% of the votes in each of the five commissioner districts to be voted by the people
- allows for charter review every eight (8) years

Board of County Commissioners

The County is governed by an elected five member Board of County Commissioners. The Constitution of the State of Florida, Article VIII, Section 1(e) created the Board of County Commissioners. Each commissioner is elected on an "at large" basis and each serves a four year term. The Board elects a Chairman in November of each year who serves as presiding officer. The current Board of County Commissioners, their contact information, and the year in which their term expires are as follows:

Commissioners

Ralph Thomas, Vice-Chairman, District 1

3093 Crawfordville Highway
Crawfordville, Florida 32327
(850) 597-3858

rthomas@mywakulla.com

Term Expires: 2016

Randy Merritt, District 2

3093 Crawfordville Highway
Crawfordville, Florida 32327
(850) 251-8860

rmerritt@mywakulla.com

Term Expires: 2014

Howard Kessler, District 3

3093 Crawfordville Highway
Crawfordville, Florida 32327

(850) 597-3856

hkessler@mywakulla.com

Term Expires: 2016

Jerry Moore, District 4

3093 Crawfordville Highway
Crawfordville, Florida 32327
(850) 363-5382

jmoore@mywakulla.com

Term Expires: 2014

Richard Harden, Chairman, District 5

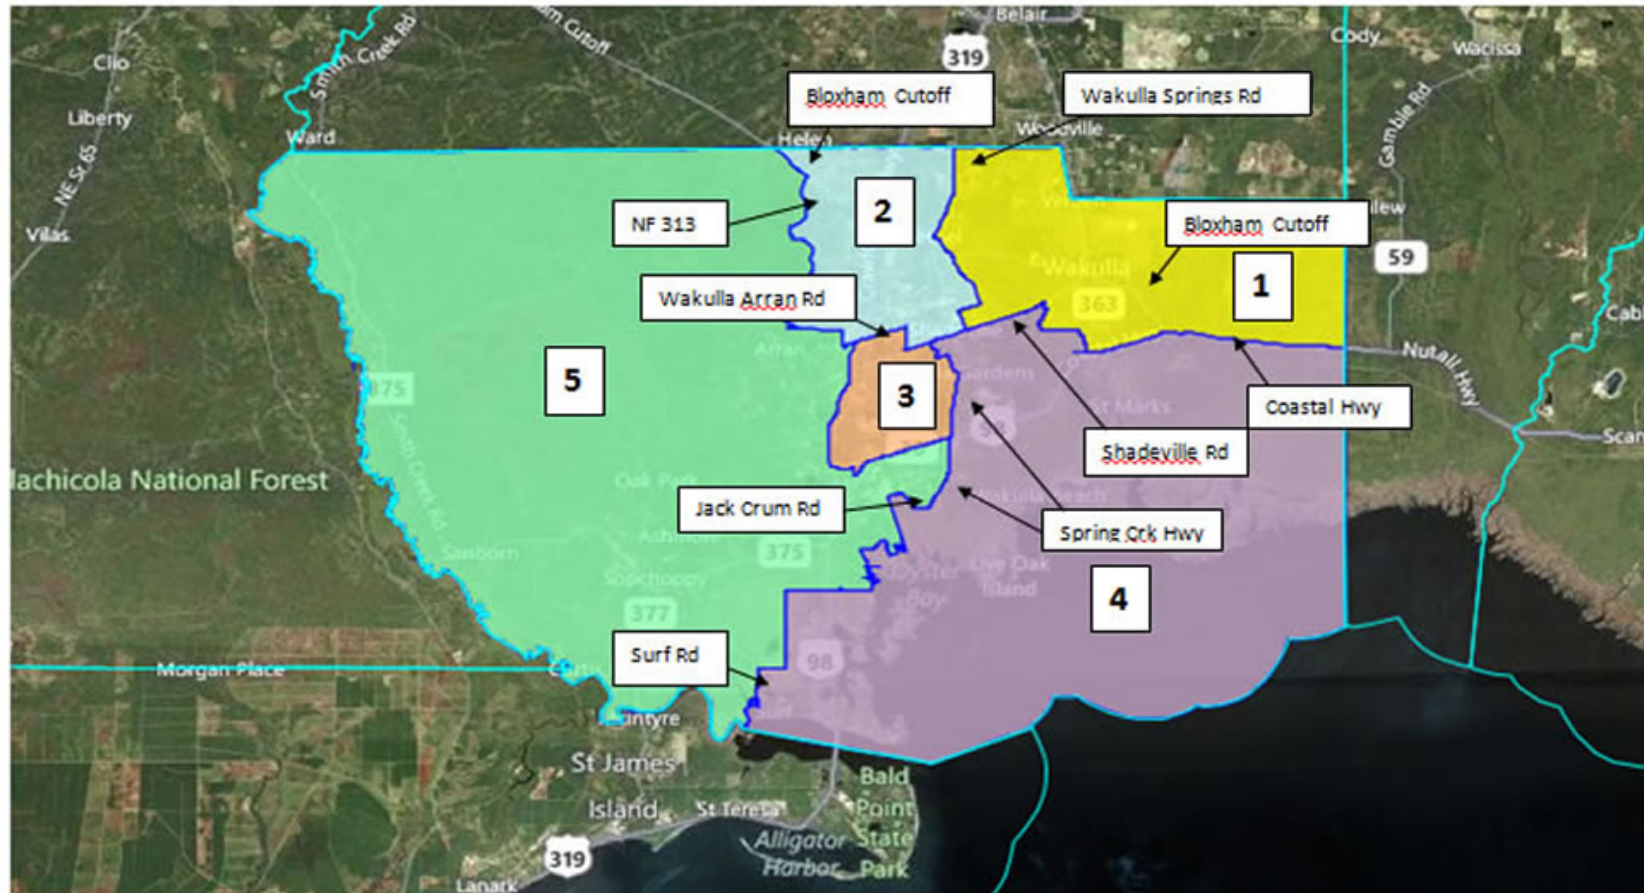

3093 Crawfordville Highway
Crawfordville, Florida 32327
(850) 597-3857

rharden@mywakulla.com

Term Expires: 2016

WAKULLA COUNTY COMMISSIONER DISTRICTS

(Amended on 11/21/11 by Ordinance #2011-36)

District	Population	*5893 population excludes 1307 inmates currently listed at Wakulla Correctional Facility on 7/25/2011
District 1	7200/5893*	
District 2	5921	
District 3	5885	(Maximum Capacity for Wakulla Correctional Facility is 1397)
District 4	5944	
District 5	5826	

Constitutional Officers

The County is also governed by five elected Constitutional Officers. The Constitution of the State of Florida, Article VIII, Section 1(d) created the offices of the constitutional officers. Each Officer serves a four year term. While the constitutional officers maintain separate accounting records and budgets from the BOCC, their budgets are presented as part of this total County-wide budget since their funding is derived from the County. The current Constitutional Officers, their contact information and the year in which their term expires are as follows:

Clerk of the Circuit Court

The Clerk of the Court is a Constitutional Officer under Article VIII Section 1 (d) and Article V Section 16 of the Florida Constitution and operates under Chapter 28, and various other chapters of the Florida Statutes.

The Clerk of Court is the Clerk to the Circuit and County courts and is responsible for maintaining all court files. The Clerk of Court is also Clerk to the Board of County Commissioners and responsible for maintaining the Board's official documents and recordings. The Clerk of Court is the accountant, auditor and custodian of all County funds. The Clerk of Court is also the County Recorder and is responsible for recording and maintaining all the various documents that are required to be filed and held as public documents. The contact information for the Clerk is:

Brent X. Thurmond
3056 Crawfordville Highway
Crawfordville, FL 32327
Phone: (850) 926-0905
www.wakullaclerk.com
Term Expires: 2016

Property Appraiser

The Property Appraiser is a Constitutional Officer under Article VIII Section 1 (d) of the Florida Constitution and operates under Chapter 195 and various other chapters of the Florida Statutes.

The Property Appraiser is responsible for determining the value of all property within the County. The Property Appraiser is also responsible for maintaining property ownership records, parcel ownership maps, and administering all tax exemptions. The contact information for the Property Appraiser is:

Donnie R. Sparkman
3115-A Crawfordville Highway
Crawfordville, FL 32327
Phone: (850) 926-0500
www.qpublic.net/wakullapa
Term Expires: 2016

Sheriff

The Sheriff is a Constitutional Officer under Article VIII Section 1 (d) of the Florida Constitution and operates under Chapter 30, and other various chapters of the Florida Statutes.

The Sheriff is responsible for Law Enforcement, Corrections, Courthouse Security, Emergency Management and other public safety related functions. The contact information for the Sheriff is:

Charlie Creel
15 Oak Street
Crawfordville, FL 32327
Phone: (850) 745-7100
www.wcso.org
Term Expires: 2016

Supervisor of Elections

The Supervisor of Elections is a Constitutional Officer under Article VII Section 1 (d) of the Florida Constitution and operates under Chapter 98 and various other chapters of the Florida Statutes.

The Supervisor of Elections is responsible for maintaining voting records and registration and supervising, tallying and reporting the votes cast by Wakulla's citizens in its various elections. The Supervisor of Elections is also responsible for maintaining all candidate forms and reports. The contact information for the Supervisor of Elections is:

Henry (Buddy) Wells
3115-B Crawfordville Highway
Crawfordville, FL 32327
Phone: (850) 926-7575
www.wakullaelection.com
Term Expires: 2016

Tax Collector

The Tax Collector is a Constitutional Officer under Article VIII Section 1 (d) of the Florida Constitution and operates under Chapter 197 and various other chapters of the Florida Statutes.

The Tax Collector's office is responsible for the collection of the County's ad valorem taxes, MSBU fees and Solid Waste assessments as well as other miscellaneous local fees. The Tax Collector is also the local agent for several State agencies collecting taxes for the Department of Revenue, vehicle and boat registration and driver's license renewal fees for the Department of Highway Safety & Motor Vehicles and hunting and fishing licenses for the Florida Wildlife Fish & Game Conversation Commission. The contact information for the Tax Collector is:

Cheryll Olah
202 Ochlocknee Street
Crawfordville, FL 32327
Phone: (850) 926-3371
www.wakullacountytaxcollector.com
Term Expires: 2016

County Administration

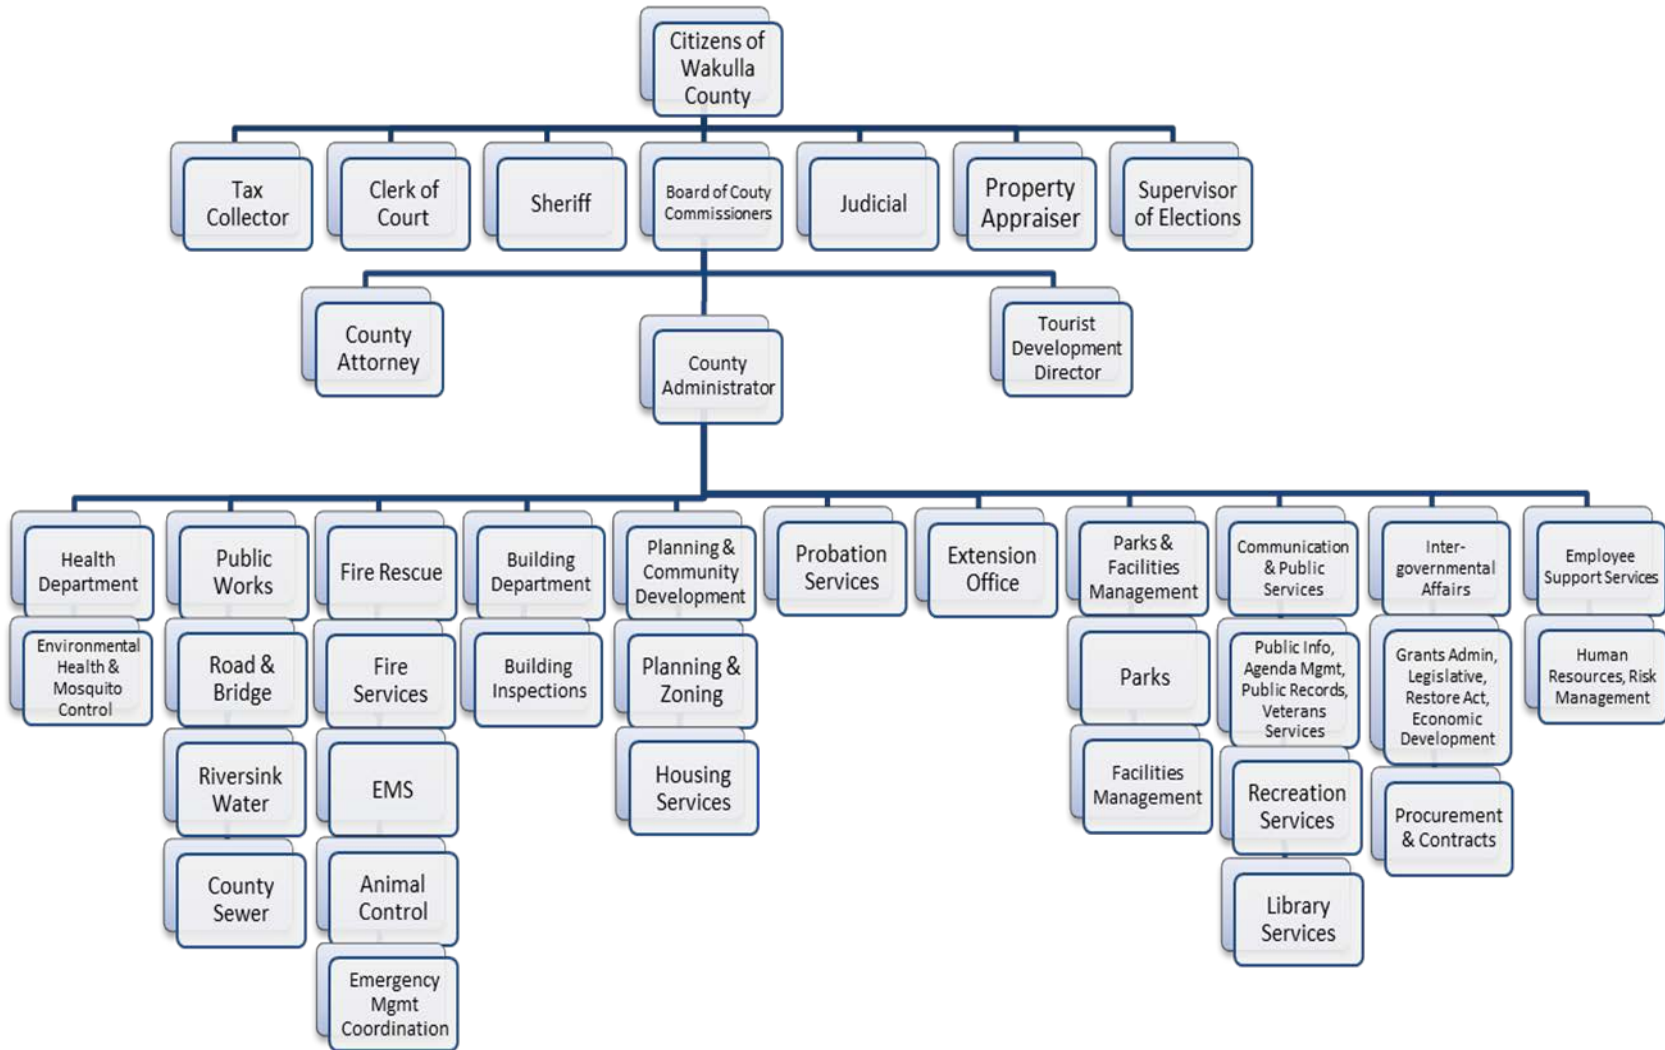

The BOCC appoints a County Administrator to serve as the chief administrative official of the County. Florida Statutes, Chapter 125 and the County's Charter, Article 3 establishes the powers and duties of the County Administrator.

The County Administrator is responsible to the Board for administrative operations and management of the various departments of the County. The County Administrator is also responsible to the Board for the execution of all Board policies and the preparation of an annual operating and capital improvement program budget for the County. The County Administrator is supported by staff that provide day-to-day administrative and management oversight for numerous county departments under the direct administrative responsibility of the County Administrator. The contact information for the County Administrator is:

J. David Edwards, County Administrator
Wakulla County Commission Complex
3093 Crawfordville Highway
Crawfordville, FL 32327
Phone: (850) 926-0919
www.mywakulla.com

An organizational chart of the County's various offices and their relationships is shown on the following page.

Wakulla County Organization Chart

Revised FY2014/2015 Budget Calendar

<u>DATES</u>	<u>ACTION</u>
January 6, 2014	BOCC Approval of the FY2014/2015 Budget Calendar
February 25, 2014	Reminder notification of upcoming budget development meetings
March 3, 2014	1 st Budget Development Workshop 4:00pm
March 3, 2014	Second reminder notification of upcoming budget development meetings
March 11, 2014	Mandatory Budget Kick-Off Meeting with all Departments from 10:00 a.m. – 12:00 p.m.
April 15, 2014	All BOCC Department Budget Requests are due to Finance to begin analysis.
April 16-30, 2014	Meetings with Departments to review requested budgets.
May 1, 2014	Final Day for Constitutional Officers to Submit Budget Requests to Board (F.S. 129.03 [2])

September 9, 2014	Public Hearing to be scheduled on Tentative Budget and Proposed Millage Rate (200.065[4bc] F.S.) (*within 80 days/no sooner than 65 days from Certification)
September 11, 2014	Deadline to submit Final TRIM Notice to Wakulla News

The following dates are based on the Public Hearing to Tentatively Adopt Budget and Proposed Millage Rated taking place on September 9, 2014.

September 18, 2014	Advertise Notice of Final Budget & Millage Rate & Intent to Adopt a Millage Rate & Final Budget (200.065[4d] F.S.) (*within 15 days after the tentative hearing)
September 22, 2014	Public Hearing to be scheduled on Final Budget & Adopt a Millage Rate by Resolution or Ordinance (200.065[4d(3)] F.S.) (*within 2 to 5 days from time Notice of Intent is published)
September 25, 2014	Board to forward Resolution or Ordinance adopting Final Millage to Property Appraiser, Tax Collector and Department of Revenue.
October 25, 2014	Certified Compliance to the Department of Revenue.
October 25, 2014	County posts final budget on website within 30 days of final budget hearing (129.03[3c] F.S.)

Budget Process & Financial Policies

Budget Process

Budget Adoption and Modification

The County follows the statutory requirements established in F.S. 129 and 200 regarding budgeting and taxation. Chapter 129 of the Florida Statutes, titled “County Annual Budget” requires the County to establish “an annual budget for such funds as may be required by law or by sound financial practice and generally accepted accounting principles.” Chapter 200 of the Florida Statutes, titled “Determination of Millage” defines the process for how the County generates monies through taxation of real, personal and tangible property.

Additionally, Florida Department of Revenue has established “Truth In Millage” (TRIM) procedures, guidelines and forms for the County to use to ensure adherence to the laws and statutory requirements related to taxation. It is the policy of the County to follow all of these laws, statutes and approved procedures in preparing its annual budget. The following is a summary of the many detailed and specific procedures and requirements used to adopt and modify the annual budget.

Original Budget

In March of every year, the County’s budget officer (County Administrator) provides budget forms and documents to each department to initiate the budget process. The County Administrator and Finance & Accounting staff meet with each department director numerous times to evaluate the personnel, operational and capital needs of each department and to review revenue projections of the ensuing year. Constitutional Officers are included in this process and are required by Florida Statute to submit their proposed budgets to the County by June 1. Consistent with Florida Statute 129.03, the Board approved Resolution #09-07 on February 3, 2009 which requires each Constitutional Officer to submit their proposed budget requests to the Budget Officer one month earlier or by May 1 of each year.

Preliminary budget workshops are held to 1) allow BOCC direction on particular projects or services to be offered, 2) receive BOCC guidance on particular issues or challenges, 3) offer the public an opportunity to provide input into the budget process. A preliminary balanced budget is compiled and presented to the BOCC by July 15.

The BOCC conducts several budget workshops in July and August to offer the public additional opportunity to review, discuss and offer comment on the proposed tentative budget. Prior to September 30, a legally required public budget hearing is held to set the tentative millage rate and tentative budget and to offer additional public input. A second legally required public budget hearing, again held prior to September 30, is held to adopt a final millage rate and final budget and to offer additional public input. The original budget and millage rate is adopted by resolution of the BOCC at this final hearing. Please refer to the budget calendar on the previous pages for more detail on the process of adopting the budget.

Amended and Final Budget

The County has three methods of budget modification as outlined in F.S. 129.06(2). The originally adopted budget can be modified by resolution of the BOCC, by adopting a budget amendment, or by holding a supplemental budget hearing.

1. Budget Resolution

The County increases its originally adopted budget as a result of receiving any unanticipated revenues. Typically such an increase is the result of receiving new grant revenue, the adoption of new fees or charges, or the transfer of funds from one fund to another. In general, a budget resolution is required anytime a particular fund's budget will increase.

2. Budget Amendment

The County changes its originally adopted budget as a result of routine operational activity. A budget amendment may be required due to a shortfall in revenues or an unexpected increase in the expenditures of a particular fund or department. A budget amendment transfers originally budgeted dollars from one budget line to another thus no change in the overall fund budget occurs. Some budget amendments require BOCC approval depending on the dollar amounts of the amendment and line item accounts involved.

3. Supplemental Budget Hearing

A supplemental budget hearing is required for the Board to increase the budget of any fund when the revenue was or should have been anticipated. This requirement of law eliminates the possibility of the BOCC artificially adopting a lower budget during the original budget process and later increasing the same budget without public input or comment.

Financial Policies

Budgetary Accounting Policy

Budgets are adopted at the fund level and each fund must be "balanced", that is, all revenues from all sources and use of cash within a fund must equal all expenditures from all uses including any reservations of cash. Sound fiscal planning requires some revenues to be budgeted at 95% to account for potential variations in estimates but at least 95% of all estimated revenues are budget for in accordance with F.S. 129.01(2) (b).

Governmental fund budgets are adopted on the modified accrual basis of accounting. All increases and amendments to the legally adopted budget are presented on this same basis of accounting. Therefore, the actual and budgetary data provided in various County reports are presented on a comparable basis.

The Proprietary fund budgets are adopted on the modified accrual basis of accounting while actual revenues and expenses and assets and liabilities are kept on the full accrual basis of accounting.

The adopted budget is integrated into day-to-day operations and is used as a management control device in all funds and budgeted appropriations lapse at the end of the fiscal year. Directors or assigned staff

review monthly reports, Finance staff reviews budget authority and available budget levels prior to purchase or payment for services to ensure all departments stay within approved budgets.

Fund Accounting Policy

The financial activities of Wakulla County are recorded in separate funds. A fund is a set of self-balancing accounts that record assets, liabilities and fund balance on the fund's balance sheet and revenues, expenses and net profit or loss on the fund's statement of activities. This policy is set by "generally accepted accounting principles" and the State's "Uniform Chart of Accounts". There are three types of funds categories: (1) governmental funds, (2) proprietary funds and (3) fiduciary funds.

1. There are five types of governmental funds: general fund, special revenue funds, capital project funds, debt service funds and permanent funds. A brief description of each follows:

General Fund – Wakulla County has one general fund. This fund is used to budget and account for the general operational activity of the County. It is used to account for all transactions that are not required to be accounted for in a different type of fund.

Special Revenue Funds – These funds are used to account for any revenues that are restricted as to what or how they may be spent. Those restrictions may be set by external forces such as Florida Statutes or grant agencies. Those restrictions may also be set internally by Board resolution or ordinance.

Capital Project Funds – These funds are used to account for the acquisition or construction of major governmental capital facilities. Typically these funds are also considered "restricted" in nature as described above under Special Revenue Funds.

Debt Service Funds – The County does not currently use debt service fund types. Debt service funds are used to account for the centralized payments of principal and interest of the County's General Long-term Debt Account Group. The County pays its principal and interest payments directly from the funds that are responsible for the debt.

Permanent Funds – The County does not currently use permanent funds. Permanent funds are funds where only the "earnings" from the fund may be used and not the "principal" of the fund. Endowment funds are a good example of these funds.

2. There are two types of proprietary funds: enterprise funds and internal service funds. A brief description of each follows:

Enterprise Funds – These funds are used to account for all County activity that is expected to be run "like a business" hence the term "business-type activity". These funds, unlike all other funds, are expected to generate profits at a level determined by the County.

Internal Service Funds – The County does not currently use internal service funds. These funds are used to account for "shared services". That is, indirect costs incurred by the County are allocated across all departments that make use of those services derived from the cost. Use of internal service funds requires an extensive cost allocation plan.

3. There are four types of fiduciary funds: agency funds, pension trust funds, investment trust funds, and private-purpose trust funds. Fiduciary funds are funds that the County is holding on behalf of another government, agency or individual. A brief description of each follows:

Agency Funds – These funds are funds that are held in a custodial capacity. These funds may be held temporarily until transferred to the owner of the funds (taxes transferred upon collection from one government to another) or they may be held for a longer period of time due to some arrangement such as grant restrictions such as the arrangement the County has with Wilderness Coast Public Libraries. These funds are held on their behalf and transferred to WILD only as they are “earned”.

Pension Trust Funds – The County currently does not use pension trust funds. The funds held by pension trust funds are held on behalf of the members of the pension. Typically these funds are invested on behalf of the members and paid out to its members as set forth in the pension document.

Investment Trust Funds – The County does not currently use investment trust funds. These funds are typically the “commingling” or “pooling” of assets owned by other agencies for the express purpose of investing the funds on behalf of those agencies.

Private-purpose Trust Funds – The County does not currently use private-purpose trust funds. As the name suggests, these funds are funds held on behalf of an individual, private organization or other government agency for a purpose that a) does not fall into one of the other fiduciary type descriptions and b) is not for public purpose or use.

Since the County may not spend fiduciary funds for public purposes or on County-run programs, these funds are not included in the County-wide budget figures.

Capital Improvement Policy

Each year the County updates its “5 Year Capital Plan”. This 5 year capital improvement plan must be consistent with the County’s adopted “Comprehensive Plan”. In order for a project to be added or removed from the 5 year plan, the addition or removal must be approved by the BOCC. Each capital project should identify the impact on the operating budget of the County. The use of funds for capital purposes must always be consistent with the restricting documents establishing the funds to be used.

Debt Policy

The purpose of the County’s debt policy is simply to ensure it does not borrow too much. The County maintains appropriate debt levels that will ensure its ability to pay its on-going debt payments and allow for future borrowing as needed. As described in the fund balance policy below, appropriate fund balance levels are required in certain funds to ensure one year of debt service payments are available at all times. Long term debt is to be used for capital improvement projects and not for operational activities.

Fund Balance Policy

The County maintains fund balances in accordance with Governmental Accounting Standards Board Statement (GASB) No. 54 “*Fund Balance Reporting and Governmental Fund Type Definitions*”. There are five components of fund balance: non-spendable, restricted, committed, assigned and unassigned amounts.

1. Non-spendable Fund Balance – Amounts that are not in spendable form (assets, inventory or long-term receivables) or amounts that are required to be maintained intact (the principle of a permanent fund).
2. Restricted Fund Balance – Amounts that can be spent only for specific purposes stipulated by external resource providers such as creditors, grantors, contributors or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.
3. Committed Fund Balance – Amounts that can only be used for specific purposes pursuant to constraints imposed by formal action (resolution or ordinance) of the County Commission. Committed fund balance can only be uncommitted by formal action of the BOCC.
4. Assigned Fund Balance – Amounts set aside by the County Commission or by County management intended to be used for a particular purpose. Assigned amounts can be used for any public purpose.
5. Unassigned Fund Balance – The residual amounts of fund balance that are not non-spendable, restricted, committed or assigned. Unassigned fund balance is available for any general public purpose.

When more than one category of fund balance exists, the most restricted amounts are used first followed by the less restricted fund balance, i.e. restricted fund balance is to be used before committed fund balance and committed fund balance is to be used before assigned fund balance.

Fund balance reserves should be maintained at the following levels:

1. General Fund – Unassigned fund balance should be no less than three months or 25% of regular General Fund operating revenues or expenditures. The maximum unassigned fund balance should be no more than four months or 33% of regular General Fund operating revenues or expenditures.
2. Special Revenue Funds – Typically, since special revenue funds are inherently restricted to a particular purpose which may require the spending of all available funds, no minimum or maximum fund balance is required. Wakulla County does use several special revenue funds for operational purposes and essential services (Road and Fire Departments). Such funds should maintain no less than three months or 25% of operating revenues or expenditures.

Special arrangements have also been established for the Sheriff's Fine & Forfeiture Fund setting the fund balance levels at two years of the Corrections portion of the budget in addition to the standard three months or 25% of operating revenues or expenditures

3. Capital Project Funds – Typically, since capital project funds are inherently restricted to a particular purpose which may require the spending of all available funds, no minimum or maximum fund balance is required.
4. Enterprise Funds – Each enterprise fund should maintain no less than three months or 25% of regular operating revenues or expenditures.
5. Debt Service – No matter the fund type, any fund that has debt obligations should carry an additional fund balance equal to one year of debt service payments.

Cash Forward Policy

Consistent with the Fund Accounting Policy and Fund Balance Policy, cash reserves should be carried forward into the new budget and used only as those fund restrictions allow. Cash reserves should only be budgeted for specific non-recurring uses and not used to balance revenue and expenditures unless fund reserve levels have been met. Cash reserves may be used for recurring operational uses only when fund balance levels have been exceeded and the Board intends for those balances to be decreased through their use and/or a decrease in revenue rates is integrated into the budget plan.

Section 2

Fiscal Year 2014/2015 Budget Summary

[This Page Left Intentionally Blank]

County-wide Budget Summary

The total final budget for FY2014/2015 is \$42,333,116, a net decrease of \$1,046,780 or -2.4% as compared to FY 2013/2014 Budget as amended August 2014.

This decrease is the result of:

- The General Fund increased \$512,006 or 5.0%.
- The Special Revenue Funds decreased \$536,278 or -2.9%.
- The Capital Project Funds decreased \$3,946,472 or -45.0%.
- The Enterprise Funds increased \$2,923,964 or 48.6%.

The changes in each particular fund category will be discussed on the following pages. Following are two charts summarizing the County-wide budget for FY2014/2015. The first summarizes the FY2014/2015 Budget by revenue and expenditure type. The second summarizes the FY2014/2015 Budget by revenue and expenditure type and compares those revenues, expenditures to the FY2013/2014 Budget.

General Fund Summary

The General Fund is the general operating fund of the County as established by F.S. 129.02(1). The General Fund is used to account for all activities that are not required to be segregated into a separate fund.

The total final budget for the General Fund is \$10,823,304, an increase of \$512,006 or 5.0% as compared to FY2013/2014 Budget as amended August 2014. For accounting purposes, the Building Department Fund, while restricted, is included in the General Fund calculations. This budget document combines the General Fund and Building Fund to be consistent with the annual financial report.

On the revenue side, this increase is the result of:

- A reduction of \$43,464 in ad valorem taxes and an increase of \$201,312 in the public service and communication service taxes.
- Intergovernmental State shared revenues increased overall by \$118,664.
- Local charges for program services increased by \$189,350 with the majority of the increase coming from EMS billing.
- Fine revenue increased \$28,187.
- Miscellaneous revenues increased \$12,082.
- Inter-fund transfers increased \$100,500.
- Budgeted cash forward decreased \$98,124.

On the expense side, this increase is the result of:

- Personnel expenses increased \$269,611. Wages increased \$132,021 due to a Cost of Living Allocation increase for 9 employees and the addition of a new department. Retirement rates adjusted substantially this year causing a \$42,770 increase. Health insurance rates increased 8.2 percent and health insurance coverage has been budgeted for every full-time position in anticipation of the implementation of the Affordable Care Act causing an increase of \$79,592. Worker's compensation rates and FICA tax comprise the remaining increase of \$15,237.
- Operating costs increased \$90,377.
- Operating equipment decreased \$11,663.
- Inter-fund transfers decreased \$4,044.
- Aid to Governmental Agencies increased \$1,521.
- Budgeted reserves increased \$481,414.

The following page contains summary schedules of the General Fund revenues and expenditures.

Special Revenue Funds Summary

The total final budget for the Special Revenue Funds is \$17,738,161 a decrease of \$536,278 or -2.9% as compared to FY2013/2014 Budget as amended August 2014.

On the revenue side, this decrease is the result of:

- Ad valorem taxes increased \$175,000
- Other taxes increased by \$32,267.
- Licenses and special assessments decreased by \$572.
- Intergovernmental shared revenues decreased by \$1,736.
- Local charges for program services decreased by \$190,283
- Fine revenue increased \$2,308.
- Miscellaneous revenues increased \$1,690.
- Inter-fund transfers decreased \$443,581.
- Budgeted cash forward decreased \$111,370.

On the expense side, this decrease is the result of:

- Personnel costs increased \$120,113 due to adjusted retirement rates, health insurance costs and three employees job reclassification.
- Operating costs decreased \$219,815 due largely to a decrease in grant revenue.
- Equipment and Capital outlay costs increased \$371,050 due purchases scheduled in the Road department.
- Debt service costs increased \$29,999.
- Inter-fund transfers decreased \$36,932.
- Budgeted reserves decreased \$172,251.

Enterprise Funds Summary

The total final budget for the Enterprise Funds is \$8,945,681, an increase of \$2,923,964 or 48.6% as compared to FY2013/2014 Budget as amended July 2014.

On the revenue side, this increase is the result of:

- Charges for services increased \$114,552 due primarily to a CPI adjustment in water and sewer fees.
- Miscellaneous revenues increased \$2,590,191 due to the USDA Loan to upgrade the Wastewater Treatment Facility.
- Inter-fund transfers decreased by \$126,656.
- Budgeted cash forward increased by \$345,877.

On the expense side, this decrease is the result of:

- Operating costs increased \$146,770.
- Equipment purchases increased \$398,086.
- Infrastructure capital outlay increase \$2,600,000.
- Debt service payments decreased \$213,355.
- Inter-fund transfers decreased by \$113,672.
- Budgeted cash reserves increased by \$106,134

Fiscal Year 2014/2015 Detailed Budgets

[This Page Left Intentionally Blank]

General Fund Departmental Detailed Budgets

The total final budget for the General Fund is \$10,573,304, an increase of \$262,006 or 2.5% as compared to FY2013/2014 Budget as amended July 2014. For accounting purposes, the Building Department Fund, while restricted, is included in the General Fund calculations. This budget document combines the General Fund and Building Fund to be consistent with the annual financial report.

The General Fund is accounted for in 17 different departments:

- Board of County Commissioners
- County Administrator
- Constitutional Officers (Excluding Sheriff – See Special Revenue Fine & Forfeiture Fund)
- General Administration
- Planning & Community Development
- Code Enforcement
- Animal Control
- Airport
- Library
- Agriculture Extension
- Facilities Management
- Probation
- Veteran's Services
- Emergency Medical Services
- Recreation
- Parks
- Building

The following pages contain brief summary of each department followed by a detailed line item budget. Actual data for FY2010/2011, FY2011/2012, FY2012/2013 and current fiscal year data through July 31, 2014 are also provided for comparative purposes.

If a department is responsible for the collection of any revenues, those revenues will be shown at the top of the schedule followed by the department's expenditures. At the bottom of each schedule is a Net Profit / (Loss) line showing the net cost to the County after the collection of revenue.

Board of County Commissioners

The County is governed by an elected five member Board of County Commissioners. The Constitution of the State of Florida, Article VIII, Section 11 created the Board of County Commissioners. Each commissioner is elected on an “at large” basis and each serves a four year term. Article 1 and 2 of the County’s Charter outline the duties and powers provided to the County Commissioners. This department accounts for the costs directly associated with these five county commissioners. The commissioners have all legislative authority and are responsible for establishing and adopting policy. The commissioners conduct County business by meeting twice a month (only once in July and December) at regularly scheduled public meetings. For more information regarding their work please go to www.mywakulla.com.

County Administrator

This office is the central point of contact for Wakulla County Citizens. David Edwards is appointed by, and serves at the pleasure of the Wakulla County Board of Commissioners. The County Administrator is the chief executive officer of the county and all executive responsibilities and powers are assigned to and vested in him, and shall exercise all executive authority, powers and duties authorized by general or special law. It is the responsibility of the County Administrator to implement all decisions, policies, programs and motions made by the Board. This is done through the department directors and staff who report directly to the County Administrator. The County Administrator regularly meets with constituents and others on various county issues to facilitate communications between government and community.

For a list of departments reporting directly to the County Administrator, please see the Wakulla County Organizational Chart. For more information please go to www.mywakulla.com.

Collections Department

This is a new department that is being established for fiscal year 2014/2015. The primary function of this department is responsibility and oversight of collecting County revenue. Two full time employees will be engaged in the task of processing Emergency Medical Services, sewer, water, fuel, parks and boat ramps, PST and other miscellaneous collections as necessary. This department will consist of one currently employed person as an Administrative Assistant and one new position to be known as the Collections Coordinator. Currently, revenue collection for the County is performed by multiple agencies and departments. Specifically, sewer billing for Wakulla County's approximately 2,400 customers is handled by three different agencies: City of Sopchoppy Water System, Panacea Area Water System and ESG Operations on behalf of Talquin Water customers. This creates some confusion for residents or prospective residents who look to Wakulla County as a potential location for building or purchasing property or homes in the County. Also, the other agencies that process sewer billing for the County must be compensated monthly for the action of including each monthly sewer bill on the monthly water bill they mail out. The Collections department would eliminate the need to continue that compensation and will allow the County to take a more proactive approach to collections of County revenue and enforcement of penalties for non-payment.

This department will report directly to the County Administrator.

Constitutional Officers

Please note the Sheriff’s Office budget is found in the Special Revenue Fine & Forfeiture Fund.

Clerk of Court

The Clerk of the Court is a Constitutional Officer under Article VIII Section 1 (d) and Article V Section 16 of the Florida Constitution and operates under Chapter 28, and various other chapters of the Florida Statutes.

The Clerk’s Office serves many roles as directed by Florida Statutes and arrangements with the County. The Clerk of Court is the Clerk to the Circuit and County courts and is responsible for maintaining all court files. The Clerk of Court is also Clerk to the Board of County Commissioners and responsible for maintaining the Board’s official documents and recordings. The Clerk of Court is the accountant, auditor and custodian of all County funds. The Clerk of Court is also the County Recorder and is responsible for recording and maintaining all the various documents that are required to be filed and held as public documents. Under arrangements with the Board, the Clerk’s Office also provides management and budget services to the County Administrator and janitorial and maintenance services to the Courthouse and its tenants.

The Clerk’s Office is comprised of five departments: Court Services; Finance & Accounting; Official Records; Maintenance and Information Technology. Finance & Accounting and Maintenance and funded by the Board of County Commissioners and those budgets are presented below. Court Services, Official Records and Information Technology are funded by user fees, fines and service charges. Those budgets are not presented below but will be on the Clerk’s website as required by Florida Statutes. For more information please go to www.wakullaclerk.com.

Property Appraiser

The Property Appraiser is a Constitutional Officer under Article VIII Section 1 (d) of the Florida Constitution and operates under Chapter 195 and various other chapters of the Florida Statutes.

The Property Appraiser is responsible for determining the value of all property within the County. The Property Appraiser is also responsible for maintaining property ownership records, parcel ownership maps, and administering all tax exemptions. For more information please go to www.qpublic.net/wakullapa.

Supervisor of Elections

The Supervisor of Elections is a Constitutional Officer under Article VII Section 1 (d) of the Florida Constitution and operates under Chapter 98 and various other chapters of the Florida Statutes.

The Supervisor of Elections is responsible for maintaining voting records and registration and supervising, tallying and reporting the votes cast by Wakulla's citizens in its various elections. The Supervisor of Elections is also responsible for maintaining all candidate forms and reports. The Supervisor's Office also receives several State grants that assist the office in providing election support staff, election education related material and equipment.

The Supervisor of Election's also conducts elections each year at each of the elementary schools and the high school to assist in their school elections and to provide an educational voting experience for County students. For more information please go to www.wakullaelection.com.

Planning & Community Development

This department is responsible for the long-range comprehensive planning of future growth and preservation of natural resources. This department performs the daily operations associated with the adherence of the Wakulla County Comprehensive Plan; provides technical planning support to other County departments and the public, provides interpretations and implements the current planning, site plan, design, environmental, subdivision and zoning regulations; processes development permit applications; and administers the Technical Review Committee process. It is also responsible for staffing the Planning Commission, Local Planning Agency, Board of Zoning Adjustment and any citizen’s advisory committees established by the Board to address planning and zoning issues. This department takes an active role in coordinating with local, regional and state organizations on transportation, environmental and land use issues. This department is also responsible for updating the Land Development Code and the Capital Improvements Element of the Comprehensive Plan.

In the current fiscal year, this department also took on the responsibilities of Code Enforcement activities. These activities include receiving all incoming code violation complaints, dispatch of an inspector to validate complaints, issuing notifications of violation, scheduling corrective action re-inspection and processing code lien and violation fine payments. For more information please go to www.mywakulla.com.

Animal Control

Animal Control is charged with enforcing county codes, rules and regulations concerning pets and animals in Wakulla County. The County also operates a shelter that houses animals until an appropriate disposition is made. Animal Control is in the process of moving to the building next door that used to house the CHAT (Citizens for Humane Animal Treatment) organization. They will be assuming the responsibility of animal adoption services on a trial basis. Additional revenue and expense has been calculated for the Animal Control department in anticipation of the new responsibility and requirements of pet adoption. For more information please go to www.mywakulla.com.

Airport

The Wakulla County Airport is a county owned, public use airport activated in 1966. It is located three nautical miles south of Panacea, Florida. The airport does not have a control tower and requires a call ahead for ground access by calling 850-321-0373. The airport encompasses 15 acres at an elevation of 11 feet above mean sea level. The airport has one grass runway with a turf surface of 2,590 feet by 70 feet. The FAA Identifier is 2J0 and its coordinates are 29°59'22".0400N / 084°23'43".4100W. For more information please go to www.mywakulla.com.

The County is currently undergoing review and update of the Airport Master Plan including some technical improvements required for continued licensing of the Airport. Grant funding is being dedicated by the Florida Department of Transportation for Airport upgrades.

Staffing

N/A – The airport currently has no staffing.

Library

The Public Library offers a wide variety of materials, programs, technology, and facilities to Wakulla County citizens. It provides easy access to books, videos, DVD's, audio books, public access computers, software, and Internet resources to meet the information needs of its current and potential users. The library also offers a variety of programs for children, adults, and families, and makes available meeting room space to numerous groups and organizations.

The budget for the Public Library is made up from three direct funding sources and one indirect source: Local revenue from the General Fund (ad valorem tax dollars and federal e-rate refunds), State Aid to Libraries (grant funding), and contributions from the friends (Friends of the Library) consisting of memberships and donations are the direct funding sources while the Wilderness Coast Public Library (WILD) provides indirect support through a State grant. The WILD grant is not part of the General Fund.

A 7 member Library Advisory Board provides oversight to the library and acts a liaison to the Wakulla Board of County Commissioners recommending policies and funding. Each county commission district has one member and there are 2 at-large members. Their terms coincide with those of the Board members whose districts they represent.

As mentioned, the library is a member of Wilderness Coast Public Libraries (WILD), a 3 county multi-county public library cooperative including Franklin, Jefferson, and Wakulla counties. They are governed by a 6 member Board consisting of 2 members from each county. WILD has administrative offices in Monticello, and Systems Librarian Jonathan McCaughan and the servers that provide library automation to the tri county area are housed at the Wakulla County Public Library.

The Library serves as the home for the Friends of the Library, Wakulla County Historical Society and the Iris Garden Club. The Friends support many library services and contribute to the library budget. The historical society contributes to the library's local history resources and sponsors monthly local history programs for the public. The Iris Garden Club has landscaped and cared for the library grounds for at least 25 years and also offers monthly gardening programs for the public. A number of other groups and organizations meet regularly at the library. We maintain a flexible meeting room policy with the only requirement that all meetings are free and open to the public.

The library also serves as an IRS tax site for forms and income tax help from January 1st to April 15th of each year. We offer a wide range of summer programs for children and their families all summer long, and we provide free computer classes to the public in a 12 person computer learning lab throughout the year. For more information please go to www.mywakulla.com.

Agriculture Extension

The Cooperative Extension Service is a nationwide service that was established by the Smith-Lever Act of 1914. It is a partnership between state land grant universities, the United States Department of Agriculture (USDA) and county governments throughout the nation. All of these groups share in the planning, financing, and operation of extension programs. In Florida, the Cooperative Extension Service is administered by the University of Florida. The Wakulla County Board of County Commissioners provides support for local faculty, staff and facilities.

The Wakulla County Cooperative Extension Service conducts research-based educational programs in agriculture, horticulture, natural resources, family and consumer sciences, marine interest and 4-H youth development. Locally based advisory committees assure that programs are designed to meet community needs. Volunteer training is strongly emphasized in our programs to enable us to reach more of the county's population. For more information please go to www.wakulla.ifas.ufl.edu.

Probation

The Wakulla County Probation Division serves the community by providing supervision for county probation, diversions, deferred prosecution agreements, GPS tracking, (electronic monitoring), house arrest, and pre-trial or conditional bond supervision to all defendants who are ordered either by the County Court or the State Attorney/Circuit Court. The Probation/Pre-trial program is responsible for directing the offenders toward successful completions of the court-imposed mandates in lieu of incarceration. The Pre-trial Release component is a cost effective program that allows the Court an alternative to incarceration and is designed to help manage the jail population.

Pretrial Release is an alternative to jail. The high-risk offenders are classified as intensive supervision which report to our office two to five times a week. Offenders on probation report in office a minimum of once a month. Pretrial release requires a minimum contact of one time a week and the higher risk may report daily. Electronic monitoring is a service provided by Pretrial Release. Standard Court Ordered Probation Offenders report once a month. Each month they have certain ordered conditions which they must provide proof of completing. If an offender fails to comply with the Court Order, a violation may be issued and the offender remains in jail until they answer the violation before a judge. Deferred Prosecution cases are referred by the State Attorney. Offenders report once a month to provide proof that the agreement made with the State is in compliance. Upon those met conditions, the case is then dismissed. Diversions cases are referred by the State Attorney. Offenders typically provide proof of completing 1 day work- camp; pay a one-time fee to probation and the State Attorney's Office.

The staff of Wakulla County Probation works closely with the Judges, State Attorney, Public Defender, Clerk's Office, local counselors and private attorneys. The staff must stay current with all providers for Substance Counseling, Anger Counseling, Chemical Testing agencies, and Inpatient Care Facilities throughout the area and the state. When applicable, offenders are provided with a list of counseling providers. Drug testing duties such as urine analysis screens are outsourced and conducted offsite. The local office performs in house Breathalyzer testing and saliva drug testing activities. For more information please go to www.mywakulla.com.

Veteran's Services

The County Veterans Service Office is staffed 20 hours per week with an Accredited National Service Officer that assists veterans and their dependents with general information, claims preparation, claims development, appeals of Department of Veterans' Affairs (VA) final decisions, General information regarding the Board of Veterans Appeals and the Court of Veterans Appeals procedures. County Veterans Service Officers are governed by the rules and regulations of the U.S. Department of Veterans Affairs, and Florida Department of Veterans' Affairs.

The most popular VA benefits and services are related to health care. There are approximately 3,200 veterans in Wakulla County, with 654 active files. There are approximately 4,000 files that must be maintained in the event that a veteran or family member needs information or documents that are filed with the Veteran's Department.

The Veteran's Office also oversees special functions such as planning and coordinating the Memorial Day Ceremony, Veteran's Day Ceremony and Parade, and Welcome Home Rallies for local veterans returning from service, as well as other veteran-related activities in the community. For more information please go to www.mywakulla.com.

Emergency Medical Services

Emergency Medical Services (EMS) provides advanced life support care on a 24 hour basis to all of Wakulla County. There are three stations manned at all times: Crawfordville, Medart and Wakulla Station. The Supervisor also is assigned to man a fourth ambulance when situations arise that exceed the capabilities of the on duty resources. EMS has also implemented a dual certification program that provides pay incentives to employees that are currently certified in Florida as firefighters to be able to use their skills to help during medical emergencies. This program saves the county thousands of dollars in salaries by allowing a single employee to serve two roles. EMS also coordinates with the Sheriff's Emergency Management Director for disaster and emergency preparation and response. For more information please go to www.mywakulla.com.

Recreation

The Recreation Department provides infrastructure and program support for recreational opportunities and leisure services such as Flag Football, Cheerleading, Tackle Football, Winter and Spring Soccer, Basketball, T-ball League, Pitching Machine League, Player Pitch League, Cal Ripken League, Babe Ruth League, Girls Softball League and Adult Softball League. The Recreation Department is responsible for the practice and game scheduling of all the athletic events and the maintenance of the 40 acre Medart Recreation Athletic Facility which includes 9 baseball/softball fields, 2 football/soccer fields, 2 tennis courts and 4 basketball courts.

The Recreation Department has also hosted various baseball tournaments affiliated with the National Cal Ripkin Youth Baseball Association and the National Babe Ruth Youth Baseball Association. Additionally, the Department has hosted many N.F.L. Punt, Pass, & Kick contests, M.L.B. Baseball Skill Diamonds contests, and the N.B.A. Basketball Skills contests which allow for local youth to possibly advance to State and National Qualifying events associated with the respective professional sports organization that sponsors these events. It is estimated that the Medart Recreational Athletic Facility hosts approximately 130,000 visitors each year.

The Recreation Department oversees project coordination and construction management on some County projects that are not handled through the Public Works Department. The Recreation Department works with the Grants Coordinator to facilitate all construction activities associated with grant projects.

The Recreation Board is a 12-member advisory Board established for the purpose of providing recommendations and feedback to the Board of County Commissioners and County staff in regard to the programs provided by the Recreation Department. Additionally the Recreation Board serves as consultants to the construction of recreational facilities in accordance with County Ordinance 07-47. For more information please go to www.WCPRD.com.

Parks

There are thirteen County owned parks located throughout Wakulla County. Those facilities are listed below. The services provided include rental of certain facilities for private use, and maintenance, repair and improvement of the grounds and facilities. The Parks Department also oversees project coordination and construction management on some County projects that are not handled through Public Works. For more information please go to www.WCPRD.com.

Facility	Acres	Amenities/Activities
Azalea Park	7.4	Lighted walking trail, water fountains, picnic tables, gazebos, benches,
Camilla Park	1.75	Passive undeveloped park
Crab Apple Park	1.0	Passive undeveloped park
Hickory Park	4.0	Pavilion, volleyball court, picnic tables, playground, tennis court.
Hudson Park	3.8	Pavilion with stage, picnic tables, restrooms
Equestrian Center	163	Equestrian Center, future site of Wakulla Wildlife Sanctuary
Mash Island Park	489.76 ¹	Boat ramp, fishing pier, beach access, trailhead with trail access for the
Newport Park	7.8	Campsites (36), bathhouse, boat ramp, picnic tables, observation deck,
Ochlockonee Bay	12 ²	12 mile multi-purpose bicycle/pedestrian trail – <i>currently under</i>
Panacea Women’s	2.1	Building with kitchen facilities, restrooms, meeting room, small
Shell Point Beach	5.8	Beach access, fishing, non-motorized boat launch, pavilion, shelters, playground,
Rock Landing	.33	Boat Ramp; 10 leased boat slips
Wooley Park	3.25	Stage area, restrooms, playground, lighted walking trail

¹ Approximately 50% is protected wetlands and cannot be developed.

² This is a linear park

within existing right-of-way.

Building

This department reviews building and construction permit applications and performs plan reviews of construction documents for code compliance with the Florida Building Codes (FBC). In addition this department is responsible for the Florida Fire Prevention Code (FFPC) and inspections for code compliance accordance with the FBC and FFPC. This department also performs fire safety inspections and plans review for new and existing structures. This office serves as the county repository of required documents for issuance of building permits from the other departments/divisions, such as planning and zoning. For more information please go to www.mywakulla.com.

Service of Process Grant

The Service of Process Grant is a General Fund grant received from the U.S. Department of Health and Human Services and passed through the Florida Department of Revenue to offset a portion of the Sheriff's cost of serving individuals regarding certain court proceedings as required by Florida Statute. The funds derived from this grant are transferred to the Sheriff's Fine & Forfeiture Fund.

Staffing

N/A – No staffing is required by the BOCC for this grant.

Special Revenue Fund Detailed Budgets

The total final budget for the Special Revenue Funds is \$17,738,161, a decrease of \$536,278 or -2.9% as compared to FY2013/2014 Budget as August 2014.

There are a total of 18 separate Special Revenue Funds. Those funds are listed below:

- Fund 104 – Justice Assistance Grants
- Fund 105 – Ochlockonee Bay Bike Trail Grants
- Fund 107 – Recreation User Fee Fund
- Fund 115 – Emergency Medical Service Grants
- Fund 118 – Mosquito Control Grant
- Fund 120 – Housing Assistance Grant
- Fund 124 – Boating Improvement Grants & User Fee Fund
- Fund 125 – State Housing Initiative Program (SHIP) Grant
- Fund 127 – Federal Emergency Management Assistance (FEMA) Fund
- Fund 128 – BP RESTORE Act Fund
- Fund 150 – Sheriff’s Fine & Forfeiture Fund
- Fund 154 – Court Fees Fund
- Fund 157 – Criminal Justice Fee Fund
- Fund 160 – Road Operating Fund
- Fund 165 – Airport Grants Fund
- Fund 180 – Fire Municipal Service Benefit Unit (MSBU) Fund
- Fund 188 – Tourist Development Tax & Grant Fund
- Fund 190 – E911 Surcharge & Grant Fund

On the following pages is a brief summary of each fund followed by a detailed line item budget. Actual data for FY2010/2011, FY2011/2012, FY 2012/2013 and current fiscal year data through July 31, 2014 are also provided for comparative purposes.

At the bottom of each schedule is a Net Profit / (Loss) line followed by the Beginning and Ending Fund Balance. If the fund is required to carry a minimum fund balance per the County’s Fund Balance Policy, the required minimum and surplus or deficit is shown.

Fund 104 – Justice Assistance Grants

This fund accounts for grants that are received via the Federal Government’s Office of Criminal Justice and passed through the State’s Department of Law Enforcement. The funds are transferred directly to the Sheriff’s Office.

Staffing

N/A – No staffing is required by the BOCC.

Service Outputs

N/A – The BOCC does not track outputs for this grant.

Fund 105 – Ochlockonee Bay Bike Trail Grants

This fund accounts for grants that are received via the Federal Government’s Department of Interior and Department of Transportation and passed through the State’s Department of Fish & Wildlife Services and Department of Transportation. The funds are being used to construct a 12 mile multi-use trail that parallels Mashas Sands Road and Surf Road beginning at Mash Island Park and ending near Sopchoppy. There are five phases of construction and 7 miles have been completed. The trail will be maintained by the Parks Department.

This trail will receive the State designation as a recreational trail and it will eventually connect to other regional greenways and trails and become part of the “Capital City to the Sea Trails” program.

Staffing

N/A – No staffing is required by the BOCC. Once completed, current staffing levels will be used to maintain the trail.

Service Outputs

N/A – No service outputs are currently being tracked.

Fund 124 – Boating Improvement Grants & User Fee Fund

This fund is used to track the fees collected by County maintained boat ramp users, fees collected by the Tax Collector’s Office from boating vessel registrations and various grants received from the Florida Fish & Wildlife Commission. This funding is used to maintain the various boat ramp and boating facilities throughout the County. The following is a list of the County-owned boat ramps in which fees are being collected.

- Blue Dolphin
- Bottoms Road
- Levy Bay
- Lower Bridge
- Mash Island
- Newport Park
- Rock Landing
- Shell Point

Staffing

N/A – No additional staffing is required by the BOCC. This fund is staffed by the Parks Department staffing in the General Fund.

Service Outputs

Fiscal Year	2011/12	2012/13	2013/14 (thru May 31)
# of boat ramp launches	44*	804	1790

*The County did not begin tracking this data until August 2012

Fund 125 – State Housing Initiative Program (SHIP) Grant

This fund accounts for grants that are received via Florida Housing’s State Housing Initiatives Program. The funds are used as an incentive to produce and preserve affordable housing and multi-family housing. The funds are used to provide down payment assistance and housing rehabilitation assistance to citizens who qualify for the program. The program is administered by Meridian Community Services Group Inc.

Staffing

N/A – No staffing is required for the Housing grant. The BOCC contracts with Meridian Community Services Group Inc.

Service Outputs

Fiscal Year	2011/12	2012/13	2013/14 (thru May 31)

Fund 127 – Federal Emergency Management Assistance (FEMA) Fund

This fund is used to account for federal disaster assistance received by the County from the U.S. Department of Federal Emergency Management Agency as passed through the Florida Department of Emergency Management. To receive assistance the State must declare an event (typically weather related such as hurricane or flooding) to be a disaster of such magnitude that local government entities will need funding assistance to recover from the damages caused by the event. Funds are received on a reimbursement basis and only a percentage, typically 87.5%, are reimbursed.

Staffing

N/A – No staffing is required by the BOCC.

Service Outputs

N/A – No service outputs are tracked for this fund.

Fund 128 – BP RESTORE Act Fund

This fund was established to capture the fines from the Deep Water Horizon oil spill that occurred in the Gulf of Mexico in 2010. These fines will be paid by the various companies ultimately found responsible for the oil spill. The formulas and allocations are very complicated but, in summary, 80% of the fines will be paid to the five states affected (Texas, Louisiana, Mississippi, Alabama and Florida). The funds will be further divided among those counties that were affected with the most affected 8 counties in Florida (disproportionate counties) receiving the larger portion of funds. Those 8 counties will then divide the funds based on a multi-factored formula. These funds will more than likely be tied up in litigation for several years.

The Board adopted Ordinance 2012-30 and Resolution 2012-60 which established the Wakulla County RESTORE ACT Committee which is responsible for preparing a recommended list of projects to be present to the BOCC for approval.

Staffing

N/A. Currently no staffing is required by the BOCC. If fully funded, 1 dedicated FTE will be used to manage these projects.

Service Outputs

N/A – No service outputs are currently being tracked for this fund.

Fund 154 – Court Fees Fund

This fund is used to account for the various court related fees that are collected by the Clerk of Court and distributed to the Board on a monthly basis. In Fund 154, there are many “sub-funds” which are smaller funds used to track the different court related fees and their restricted use. Each “sub-fund’s” revenue and related expense is described individually on the following pages. The two positions mentioned below are partially funded by the Board’s court related fees and by the other County’s within the 2nd Judicial Circuit. Those positions are recorded as staff since they are housed in the Wakulla County Courthouse. There are several other positions that are funded by these fees that are not housed in Wakulla County. Those positions include: a Juvenile Alternative Sanctions Coordinator, a Trial Court Marshall, and a Circuit Liaison.

There are several court affiliated offices that funding is provided to per Florida Statute for various purposes. Those offices are: Court Administration of the 2nd Judicial Circuit, the State Attorney’s Office, the Public Defender’s Office, the Circuit Judge’s Office, the County Judge’s Office, the Clerk of Court, the Probation Department and the Sheriff’s Office.

Staffing

John “Cole” White	User Support Analyst	To be announced
Vacant	Integrated Computer System Interface Developer	

Service Outputs

N/A – The BOCC does not track any service outputs for Court Administration.

Fund 154-CI – 25% Court Innovation Fund. This fund is supported by 25% of a \$65.00 fee imposed on felony, misdemeanor and criminal traffic cases pursuant to F.S. 939.185(1)(a). These funds are used to provide support to court related program as approved by the Chief Judge of the 2nd Judicial Circuit.

Fund 154-MAIN – Courthouse Maintenance Fund. This fund is no longer receiving revenue on an annual basis. These funds are the residual monies left over from an old revenue source intended to provide court maintenance assistance. These dollars are slowly being spent down as needed on courthouse maintenance needs. This sub-fund is also used to record the General Fund transfer which supports the Guardian Ad Litem program.

Fund 157 – Criminal Justice Fine Fund

This fund is used to account for the various court related fines that are collected by the Clerk of Court and distributed to the Board on a monthly basis. In Fund 157, there are many “sub-funds” which are smaller funds used to track the different court related fines and their restricted use. Each “sub-fund’s” revenue and related expense is described individually on the following pages.

There are several offices that funding is provided to per Florida Statute for various purposes. Those offices are: the Sheriff’s Office, the Wakulla County School Board and the Florida Highway Patrol.

Staffing

N/A – No staffing is required for these funds.

Service Outputs

N/A – The BOCC does not track any service outputs for Court Administration.

Fund 157-CRI – Criminal Justice Education Fund. This fund is supported by a \$2.50 fee pursuant to F.S. 318.18©. These funds are used to provide education and training support to local law enforcement and correctional officers.

Fund 160 – Road Operating Fund

This fund is used to account for the various state and local gas taxes and their related use to maintain all of Wakulla County’s public use roads, bridges and right-of-ways. For a description of the gas taxes, please refer to Section 4 – Historical Data, Revenue History. The County contracts with ESG, Inc. for all of the Public Work related duties. There are a couple “sub-fund’s” within the Fund 160 Road Department and each will be described in the following pages.

Staffing

N/A – The BOCC contracts it road operations with ESG Inc. as a part of the Public Works Department. ESG Inc. has a staff of 22 employees dedicated to the Road Department.

Service Outputs

Fiscal Year	2011/12	2012/13	2013/14 (thru May 31)
# of Call outs	148	117	60
Feet of culverts installed	870	1,932	684
# of culverts cleared	274	605	228
Pot Holes Filled – Tons	50	25.5	18.5
Feet of ditches cleaned	12,945	50,268	21,451
Feet of shoulders clipped	43,840	95,317	102,581
Miles of roads graded	2,072	2,632	1,879
Miles of roads mowed	919	2,469	1,535
Loads of dirt hauled	1,868	2,102	2,072
Signs installed	775	947	621
Feet of roads trimmed	481,570	901,274	370,910
# of work orders completed	1,431	2,147	1,102
# of driveways built up	87	480	463
Hours of right-of-way clean up	-	1,867	1,055

Fund 160 is used to account for all road related revenues and expenses except for the 2 Cent Gas Tax, Title III Funds and the Special Road Paving Assessments. This funds focuses on road maintenance not road paving.

Fund 160-TTL3 is used to account for a portion of the funds received from the U.S. Government. These funds are known as “National Forest Settlement” funds and 15% of the revenue is to be set aside to be

used to help keep the County’s public lands clean of debris. These funds are used to provide support to Keep Wakulla County Beautiful (KWCB). This organization provides cleanup efforts throughout the County including our national forests and refuges.

In FY 2014/15, these funds will also be used to provide “Amnesty Days” for hazardous wastes and materials so they do not find their way into the public lands.

Fund 160-SUB is used to account for the payments received from homeowners in Brook Forest, Tupelo Ridge and Northwoods subdivisions. These funds are used to pay back the loans incurred by the County

when the subdivision roads were paved. Liens are placed on the properties and assessments are collected via the Ad Valorem tax bills that are sent out each year.

Fund 165 – Airport Grants Fund

This fund accounts for grants that are received via the Florida Department of Transportation. The funds are used to provide various planning and capital related needs to the airport. The program is administered by the County Administration staff

Staffing

N/A – No staffing is required by the BOCC. The Airport Manager position is a volunteer position.

Service Outputs

N/A – No service outputs are tracked for the Airport grants – See the Airport Department in the General Fund.

Fund 180 – Fire Municipal Service Benefit Unit (MSBU) Fund

The MSBU Fund is funded by a special assessment for fire protection services in 1985. While the Fire Department’s primary purpose is to fight fires, the department receives calls to numerous other emergency related events. The Fire Department has also implemented a dual certification program that provides pay incentives to employees that are currently certified in Florida as emergency medical technicians to be able to use their skills to help during fire emergencies. This program saves the county thousands of dollars in salaries by allowing a single employee to serve two roles.

Staffing

Michael Morgan	Fire Chief / EMS Directors	mmorgan@mywakulla.com

Fund 188 – Tourist Development Tax & Grant Fund

This fund is used to account for the Local Tourist Development Tax (“Bed Tax”) on short-term transient lodging. The funds are used to promote tourism for the economic impact on local businesses. The bed tax rate is 4% as amended in FY 2011/12. The Tourist Development Council was enacted by the BOCC pursuant to F.S. 125.0104. The TDC is a 9 member council that acts as an advisory board to the BOCC and administers the operation of a tourism promotion program in accordance with the annual marketing plan.

The bed tax is collected via the Florida Department of Revenue and distributed to the County on a monthly basis. This fund also has several “sub-funds” used to account separately for tourist related grants and the Big Bend Maritime Center.

Staffing

N/A – There is no staffing required by this fund. There are three contract employees funded by the bed tax. A part-time Tourist Development Council Director, a part-time administrative assistant and a part-time social media assistant.

Service Outputs

N/A – No service outputs are tracked by this fund.

Fund 188 accounts for the collection and expenditure of the bed tax.

Fund 190 – E911 Surcharge & Grant Fund

This fund is used to account for the E911 surcharges collected in accordance with the Florida Emergency Telephone Act pursuant to F.S. 365.171. The revenues are the fifty cent monthly “Enhanced 911 fee” for all wireless subscribers (F.S. 365.172 and 365.173) and the fifty cent monthly “911 fee” per line (F.S. 365.171(3)). The funds are used to assist the Sheriff’s E911 operations.

This fund also has a “sub-fund” used to account for E911 grant revenues.

Staffing

N/A – No staffing is required by the BOCC. Staffing is provided by the Sheriff’s Office.

Service Outputs

N/A – No service outputs are tracked by this fund. See the Sheriff’s Office Fine & Forfeiture Fund for service outputs.

Capital Project Fund Detailed Budgets

The total final budget for the Capital Project Funds is \$4,825,970, a decrease of \$3,946,472 or -45 % as compared to FY2013/2014 Budget as amended August 2014.

There are a total of 4 separate Capital Project Funds. Those funds are listed below:

- Fund 300 – Capital Projects Fund
- Fund 307 – Impact Fees Fund
- Fund 317 – One Cent Sales Tax Fund
- Fund 362 – Road Paving Grants Fund

On the following pages is a brief summary of each fund followed by a detailed line item budget. Actual data for FY2010/2011, FY2011/2012, FY2012/2013 and budgetary and actual data for the current fiscal year through July 31, 2014 are also provided for comparative purposes.

At the bottom of each schedule is a Net Profit / (Loss) line followed by the Beginning and Ending Fund Balance. If the fund is required to carry a minimum fund balance per the County's Fund Balance Policy, the required minimum and surplus or deficit is shown.

Fund 300 – Capital Projects Fund

This fund is used to account for general capital infrastructure projects of the County. Funding sources are primarily grant funds and transfers from other funds to either assist with the project or match grant funds.

Staffing

N/A – No staffing is required by the BOCC for Capital Projects. Staffing from the appropriate General Fund or Public Works Department is used to complete these projects.

Service Outputs

N/A – No service outputs are tracked by this fund.

Fund 307 – Impact Fees Fund

This fund is used to account for the collection and subsequent use of impact fees. Please refer to Section 4 – Historical Data – Revenue History for a summary of impact fee revenues collected, the purpose of impact fees and what they may be spent on. Impact fees are collected for the express purpose of offsetting or diminishing the cost associated with growth in the County. Each impact fee is accounted for separately within its own “sub-fund”. In the following pages, you will find a summary of projects each impact has been spent on and the FY13/14 final budget.

Staffing

N/A – No staffing is required by the BOCC. Staffing from the appropriate General Fund or Public Works Department is used to complete these projects.

Service Outputs

The only service outputs that are maintained are the types of projects impacts fees have been spent on.

Fund 307-COR – Corrections Impact Fees.

Fund 317 – One Cent Sales Tax Fund

This fund is used to account for the proceeds of the One Cent Sales Tax revenue. Florida Statute 212.054 authorizes counties to impose a local discretionary sales tax on all sales transactions pursuant to Chapters 202 and 212. The citizens of Wakulla approved the original one cent sales tax in 1987 for the duration of 15 years and, in September 2002, voters renewed the sales tax for another 15 years.

The proceeds of the one cent sales tax are divided into four “sub-funds”:

- 60% to Road Paving Infrastructure
- 20% to Public Facilities Infrastructure
- 15% to Public Safety Infrastructure
- 5% to Parks & Recreation Infrastructure

Each “sub-fund” is summarized on the following pages and a list of projects the current one cent sales tax proceeds have been spent on is provided in the Service Outputs section of each.

Staffing

N/A – No staffing is required by the BOCC. Staffing from the appropriate General Fund or Public Works Department is used to complete these projects.

Service Outputs

The only service outputs that are maintained are the types of projects impacts fees have been spent on.

Fund 317-ROAD – 60% Road Paving 1 Cent Sales Tax

The proceeds may be used for road paving, repaving, bridge construction, bridge repair and other road related capital infrastructure related expenses. The County leveraged these dollars in the past to pave a large number of roads at one time. That debt will be paid off in the same year the one cent sales tax proceeds expire.

Fund 317-FACI – 20% Public Facility 1 Cent Sales Tax

The proceeds may be used for any “public facility”. “Public facility” can be any number of capital infrastructure related projects. The County leveraged these dollars in the past to renovate the Courthouse facility. That debt will be paid off in the same year the one cent sales tax proceeds expire.

Fund 362 – Road Paving Grants Fund

This fund is used to account for road repaving grants received from the Florida Department of Transportation through its various programs to assist local governments with road construction needs. Two examples are the Small Counties Rural Assistance Program (SCRAP) and the Small Communities Opportunity Program (SCOP).

Staffing

N/A – No staffing is required by the BOCC. Staffing from the appropriate General Fund or Public Works Department is used to complete these projects.

Enterprise Fund Detailed Budgets

The total final budget for the Enterprise Funds is \$8,945,681, an increase of \$2,923,964 or 48.6% as compared to FY2013/2014 Budget as August 2014.

There are a total of 3 separate Enterprise Funds. Those funds are listed below:

- Fund 435 – Sewer Operating Fund
- Fund 435-RVR – Riversink Water Operating Fund
- Fund 440 – Solid Waste Operating Fund

On the following pages is a brief summary of each fund followed by a detailed line item budget. Actual data for FY2010/2011, FY2011/2012, FY2012/2013 and budgetary and actual data for the current fiscal year through July 31, 2014 are also provided for comparative purposes.

At the bottom of each schedule is a Net Profit / (Loss) line followed by the Beginning and Ending Fund Balance. If the fund is required to carry a minimum fund balance per the County's Fund Balance Policy, the required minimum and surplus or deficit is shown.

Fund 435 – Sewer Operating Fund

This fund is used to account for all sewer related activity. The revenue sources are sewer fee paid by the customers on the sewer system, access fees paid by developers or home owners hooking onto the sewer system and various grants funded by agencies such as Florida Department of Environmental Protection.

The sewer system consists of a .6MGD (million gallon per day) plant and a collector system of pipeline and lift stations. The County has leveraged the revenues from the Sewer Fund to pay for necessary upgrades and expansions of the sewer system. The debt for the sewer system is provided in Section 4 – Historical Data – Long-term Debt. The County is currently working with the U.S. Department of Agriculture on a long-term plan for upgrading and expanding the existing sewer plant to 1.2MGD capacity with advanced wastewater treatment specifications. This plan has been reviewed and approved by U.S.D.A and has been incorporated into the final FY 2014/15 budget or the Five Year Plan found in Section 5.

Staffing

N/A – The BOCC contracts its sewer operations with ESG Inc. as a part of the Public Works Department. ESG Inc. has a staff of 5 employees dedicated to the Sewer Department.

Service Outputs

Fiscal Year	2011/12	2012/13	2013/14 (thru May 31)
Treatment Plant			
Avg. effluent flow	.506mgd	.499mgd	.570mgd

Fund 435-RVR – Riversink Water Operating Fund

This fund is used to account for the water operations at Riversink. The water plant consists of two (2) 145 foot deep water wells and a 125,000 gallon elevated water storage tank. The plant is permitted by the State to draw and treat 85,000 gallons of water per day. The water distribution system contains nearly 4.5 miles of water pipe and currently serves 108 customers.

Staffing

N/A – The BOCC contracts its water operations with ESG Inc. as a part of the Public Works Department. ESG Inc. has a staff of 1 employee dedicated to the Water Department.

Service Outputs

Fiscal Year	2011/12	2012/13	2013/14 (thru May 31)

Fund 440 – Solid Waste Operating Fund

This fund is used to account for the collection and disposal of solid waste and to provide for the recycling of materials to prevent pollution and protect our environment and natural resources.

The Florida Department of Environmental Protected mandated the closure of the County’s only open landfill. In 2012 the BOCC approved a program of “curbside” pickup and contracted with WastePro Inc. for residential and commercial garbage collection and recycling services. WastePro operates the closed landfill as a “transfer station” or temporary collection site where all county garbage is hauled to a landfill facility outside of Wakulla County. As noted below, FY 2010/11 is the last year the County operated an open landfill.

Staffing

N/A. The BOCC contracts it solid waste operations with WastePro Inc. as a part of the Public Works Department. ESG Inc. monitors the operations of WastePro Inc. on behalf of the County as part of its contract with the County and employs 1 person for Solid Waste activity.

Service Outputs

Fiscal Year	2010/11
# of tons of garbage	5,940
# of tons of construction debris (C&D)	1,183
# of work orders completed	4
# of pounds of plastic recycled	47,280
# of pounds of glass recycled	0
# of pounds of metal recycled	0409,620
# of pounds of cardboard recycled	299,420
# of gallons of used motor oil recycled	805
# of pounds of batteries recycled	8,940
# of pounds of newspaper/paper recycled	101,060

Section 4

Historical Data

Major Revenue History

AD VALOREM TAX:

Article VII, Section 9 of the Florida Constitution, Chapters 192-197 & 200 of the Florida Statutes authorizes local governments to raise revenue by levy of ad valorem tax up to ten mills for county purposes. The ad valorem taxable base is the fair market value of locally assessed real estate, tangible personal property and state-assessed railroad property, less certain exclusions, differentials, exemptions and credits. Exclusions are specific types of property constitutionally or statutorily removed from ad valorem taxation. Differentials are reductions in assessments that result from a valuation standard other than fair market value. Exemptions are deductions from the assessed value that are typically specified as a dollar amount. Credits are deductions from the tax liability of a particular taxpayer and usually take the form of discounts. Deferrals do not reduce the taxpayers tax liability but allow for changes in the timing of payments. Ad Valorem taxes are considered general revenue for general-purpose use.

PUBLIC SERVICE TAX: F.S. Section 166.231

The Public Service Tax is a tax on the purchase of electricity, metered or bottled gas, fuel oils and water. The tax was passed by the Board in 2011 by Ordinance 2011-21. Electricity, metered and bottled gas and water is taxed at a rate of 7% and fuel oils are taxed at 2.8 cents per gallon. The intent of imposing the public service tax was to diversify **General Fund** revenues and reduce its reliance on other taxes.

COMMUNICATIONS SERVICES TAX:

F.S. Chapter 202

Chapter 202 of the Florida Statutes established this tax to simplify the complex structure of taxes on tele-communications, cable, satellite and related services. This tax has two parts: the state and local communications services tax. The State portion is comprised of several taxes: a 6.65% tax on the retail sale of communications services, a 10.8% tax on the retail sale of direct-to-home satellite services, and a 2.52% gross receipts tax on all communication services. The local communications services tax portion varies depending on the type of local government and various other factors. For Wakulla County, this tax replaced the cable television franchise fee in 2002. Wakulla County has adopted a tax rate of 5.22%. The Department of Revenue administers the disbursements and there are no restrictions on their use. The revenue is collected into the County's **General Fund**.

HALF CENT SALES TAX:

F.S. Sections 202.18(2)(c), 212.20(6) and 218.60-67

The Florida Legislature authorized the establishment of the Local Government Half-Cent Sales Tax Local Government Half-Cent Sales Tax Program. The program is funded by a portion of the state sales tax revenue. The Department of Revenue distributes the sales tax to counties based on a series of complicated formulas, each determining a county's eligibility in the five distributions. Wakulla County meets the requirements for all five distributions. Fiscal year 09-10 was the first year the fifth distribution was provided to the County. The five distributions are: 1) ordinary, 2) emergency kicker, 3) inmate supplemental, 4) fiscally constrained and 5) ad valorem offset.

STATE REVENUE SHARING: F.S. Sections 210.20(2), 212.20(6), and 218.20-.26

The Florida Legislature provides authority for the State to share revenues from sales and use taxes and cigarette taxes with counties. Sales and use tax collections represent approximately 95.5 % of the amount shared with counties. The program is funded by 2.044% of sales and use tax collections and 2.9% of net cigarette tax collections. The Department of Revenue administers the revenue sharing program and distributes the funds monthly to counties. Distributions are based on a three factor formula. The formula consists of county population, unincorporated population, and county sales tax collections. The revenue is divided into three entitlements: First Guaranteed, Second Guaranteed and Growth Money. The County receives the Revenue Sharing into its **General Fund**. There are no restrictions on these revenues but there are some statutory limitations regarding their use as a pledge for indebtedness. Counties are allowed to bond the guaranteed entitlements but not the growth money.

EMERGENCY MEDICAL SERVICE FEES:

At one time, the EMS Department was operated as a Special Revenue Fund under the authority of Section 401, F.S. and Ordinance 98-6. When operated as a Special Revenue Fund it was partially funded by MSBU dollars, therefore the graph below includes some MSBU funding. Since the Florida Supreme Court determined the MSBU to be an unallowable charge for emergency medical services, the **General** Fund is now covering any excess expenses over the revenues generated by the EMS fees. Resolution 08-27 sets the fee structure for the ambulance department and the revenue is essentially broken down into two categories: BLS - Basic Life Support and ALS - Advanced Life Support.

BUILDING PERMITS & PLANNING & ZONING FEES:

Wakulla County has several authorizing documents related to these fees. The Land Development Code was adopted as Ordinance 85-4. Ch. 8 of the LDC is entitled **Building and Construction Code. Section 8-56** sets forth all building permits, fees and costs are to be set by the BOCC through resolution. The permits, fees and other related costs associated with building and construction in Wakulla County are set by Resolution 08-30 which modified many of the fees from Resolution 93-16, 97-38 and 04-37. These fees are collected by the Building Dept. and fund its **operation and enforcement of the building and construction codes**. The Building Dept. is operated as a **Special Revenue Fund**.

The Planning & Zoning Dept. works closely with this department but it is operated from the **General Fund**. Resolution 94-6 and 03-12 was amended by Resolution 08-28 which established the various fees for the Planning and Zoning function.

GAS / FUEL TAXES:

Wakulla County receives 10 cents in gas and fuel taxes from the State: 2 cents from the 5th & 6th Cent Constitutional Gas Tax; 1 cent from the 7th Cent County Gas Tax; 1 cent from the 9th Cent Local Option Gas Tax; 6 cents from the 10th-15th Cent Local Option Gas Tax. These revenues are deposited into the County's Road & Bridge Special Revenue Fund and used to operate that department through a contractual agreement with ESG, Inc.

The **5th & 6th Cent Constitutional Gas Tax** is authorized by F.S. Section 206.41(1)(a), 206.45, 206.47, 336.023 and 336.024. It is a 2 cent tax levied at the wholesale level of the first sale of each gallon of motor and diesel fuel. Use of the proceeds is restricted to the acquisition, construction and maintenance of roads. The tax is administered by the State which distributes the proceeds based on a weighted formula including geographic area, population, and gas tax collections.

The **7th Cent County Gas Tax** is authorized by F.S. Section 206.41(1) and 206.60. It is a 1 cent tax levied at the wholesale level on the first sale of each gallon of motor and diesel fuel. Use of the proceeds is restricted to purchase of right of way, construction, reconstruction, operation, maintenance and repair of transportation facilities and other transportation expenditures. The gas tax can also be used to reduce bond indebtedness. The tax is administered by the State which distributes the proceeds based on a weighted formula including geographic area, population and gas tax collections.

The **9th Cent Local Option Gas Tax** is authorized by F.S. Section 206.41(1)(d), 206.87(1)(b) and 336.021. It is a 1 cent tax levied on the retail sale of each gallon of motor and diesel fuel sold in the County. Use of the proceeds is restricted in general as defined in F.S. 336.025(7). Wakulla County informally designated this gas tax for road maintenance. The tax is administered by the State which distributes the proceeds based on a complex distribution formula.

The **10th - 15th Local Option Gas Tax** is authorized by F.S. Section 206.41(1)(e), 206.87(1)(c) and 336.025. It has authorized the County to levy a 6 cent tax on every gallon of motor and diesel fuel sold at the wholesale level. Use of the proceeds is restricted to transportation related expenditures as defined in Section 336.025(7). Wakulla County has designated 2 cents to capital outlay expenses for road equipment and 4 cents for general transportation expenses. The tax is administered by the State and distributed based on an inter-local agreement at the County level.

There is another group of gas taxes the County does not impose but could. F.S. Section 206.41(1)(e) and 336.025 also allows the County to impose 1 to 5 cents tax on every gallon of motor fuel sold within the county. Diesel fuel is excluded from this optional tax.

FIRE DEPARTMENT MSBU REVENUE:

Section 125.01, Florida Statutes, authorizes a county who furnishes municipal services to levy additional taxes. The **MSBU** (Municipal Service Benefit Unit) is the mechanism used to fund the county fire departments **departments** and its **fire protection services**. The fee was originally set at \$35 as authorized by County Resolution 93-30 and 95-30. Resolution 06-59 raised the fee to \$65 on Oct 23, 2006. In 2010 a study was done and the Board set the final assessment at \$61 in Resolution 10-56. The Board set the rate at \$75 in 2011 per Resolution 11-31. The rate in 2012 is \$75 for residential units; \$0.06 per square foot for non-residential units and \$0.17 per acre for vacant land. The revenue generated is restricted to expenditures related to the Fire Departments providing **emergency fire and paramedic services**. There are **10 volunteer fire stations** and **1 paid fire station** that operate as one **Special Revenue Fund** from the MSBU fees.

TOURIST DEVELOPMENT TAX: F.S. Section 125.0104

The Florida Statutes authorize counties to levy tourist development taxes between 3 and 6% on any rental or lease of 6 months or less for living accommodations in hotels, motels or other temporary living quarters. The types of tourist development taxes include: a basic tourism tax, two types of tourism impact tax, two types of professional sport franchise facility tax, and five types of convention development taxes. Wakulla County has imposed a 4% basic tax. The revenues may be used for the financing and operation of tourist-related facilities, promotion of tourism and beach or shoreline maintenance. Collection and enforcement of the tourism tax is managed by the Florida Department of Revenue. The County receives this money into one of its **Special Revenue Funds** and it is managed by a contract co-ordinator.

IMPACT FEES:

Impact fees are not authorized by Florida Statutes but by the "Home Rule Authority". The characteristics and limitations of impact fees are found in Florida case law rather than statutory mandates. Impact fees are imposed against new development to, either totally or partially, reimburse for the cost of additional facilities or services necessary as a result of the new development. To be legal, impact fees must withstand the "dual rational nexus" test. There must be a reasonable connection between the additional facilities or services and the growth resulting from new development. The County must also show a reasonable connection between the expenditure of impact fees and the benefits to the new growth. So, there are limitations on spending impact fees and they are treated as a Special Revenue Fund. Impact fees must meet 4 criteria: (1) It must be levied on new development or new expansion of existing development, (2) the fee is a one time charge, (3) the fee is generally earmarked for capital outlay expenses only, and (4) the fee represents a proportional share of the cost of the facilities needed to serve the new growth. In 1997, the County adopted Ordinance 98-9 for six different impact fees. In 2007 another impact fee study was completed but not implemented until December 2009. Ordinance 2009-15 set the fees of 7 different impact fees as outlined below.

- Parks & Recreation Facilities - fees for three categories were set at 25% of the study's rates
- Emergency Medical Services - fees for two categories were set at 100% of the study's rates
- Fire Rescue - fees for four categories were set at 100% of the study's rates
- Correction Facilities - fees for three categories were set at 25% of the study's rates
- Roads - fees for eighty six (86) categories were set at 50% of the study's rates
- Library Facilities - fees for three categories were st at 25% of the study's rates
- Law Enforcement - fees for seven categories were set at 25% of the study's rates

A moratorium on impact fees for one year was imposed resulting in zero impact fee collections for 2008-09. In February 2011 Ordinance 2011-1 set the impact fee collection percentages to zero (0%) of the rates established in Ordinance 2009-15.

ONE CENT SALES TAX: F.S. Section 212.054-.055

The State authorizes counties to impose eight different types of local discretionary sales surtaxes on all transactions subject to the state tax imposed on sales, use, services rentals, admissions, and other authorized transactions pursuant to Chapter 202 & 212. Limitations and exemptions do exist as outlined in these chapters. The Dept. of Revenue administers the tax and distributes it to the County where the selling dealer is located. The funds are distributed using a complex distribution factor which is then multiplied by the amount available for distribution. The One Cent Local Government Infrastructure Sales Surtax was approved by the voters in 1987 and renewed in September 2002 for another 15 years. The County's ordinance has placed limitations on the use of these funds. The 1 Cent Sales Tax is allocated based upon a formula of 60% for roads infrastructure, 20% for public facility infrastructure, 15% public safety infrastructure and 5% parks and recreation infrastructure. Expenses must be for fixed capital outlay with a life of 5 years or more. The County receives these revenues into a **Capital Project Fund**.

SEWER & WATER FEES:

Section 153, Florida Statutes outlines the regulations regarding Sewer & Water Treatment Facilities. Wakulla County has several authorizing documents related to sewer, water and access fees. In 2009 Wakulla County rewrote these various documents into one comprehensive sewer document - Ordinance 09-09. Within this ordinance, various fees for residential and commercial users for sewer and access fees were set. The County has 4 water providers: Panacea Area Water, Riversink Water (County maintained), Sopchoppy Water, and Talquin. New agreements were signed with Panacea, Sopchoppy and Talquin to improve the billing, collection and enforcement of sewer usage. The revenues generated from the sewer and water fees are restricted to the operation, maintenance and repair of the sewer and water facilities. The access fees are restricted to the construction and expansion of the sewer facilities. The Sewer and Water Fund is operated as an **Enterprise Fund**. The County owns a small water facility called Riversink Water which is operated within the sewer enterprise fund.

SOLID WASTE DISPOSAL FEES:

Wakulla County used to operate a Class 1 and Class 3 landfill and recycling center called Lower Bridge Landfill. The landfill is at capacity and the Dept of Environmental Protection has required the County to close the landfill. The County looked at several options for handling its solid waste disposal including the design of a transfer station. The County finally opted to privatize the collection and disposal of its solid waste and recycling material. In 2011 the County hired WastePro to provide "curbside" collection of the County's solid waste and recycling material. The Board passed Ordinance 11-30 which set the collection and disposal fee at \$196.00. The County is still required to monitor wells at both of the closed Lower Bridge and Medart landfills. In addition to the fees collected by the County, the Board receives an annual grant from DEP to assist with the costs of monitoring the closed landfills. The Solid Waste Fund operates as an **Enterprise Fund**.

Historical Taxable Values

Year	Final Gross Taxable Value	Total Taxes Levied	Millage Rate
2007	\$1,571,761,713	\$11,984,997	7.63

Explanation:

Debt Service Ratio percentages increasing over time may indicate declining flexibility the local government has to respond to changing economic conditions.

Section 5

FY 2015/2016 to FY 2019/2020

Five Year Plan

[This Page Left Intentionally Blank]

FY 2015/2016 to FY 2019/2020 Five Year Plan

Forecast Summary & Assumptions

The Five Year Plan is based on a rather conservative economic forecast for Wakulla County. The economy in this model is predicted to grow slowly and steadily over the next five years with property values leveling out in FY2015/2016 and then a slight increase of 1% the following year and 2% each year thereafter. Other revenues reflect the same type slow increase over the next five years.

Housing starts play a key role in the success of the forecast. We have assumed a very low 2% growth year over year. This growth affects revenues in all of the key funds. This forecast works without tax increases only if the anticipated growth is realized. If the growth does not occur then either revenues will need to increase through tax increases or services will need to be cut.

Expenses are forecast to continue to increase from 1% to 4% depending on the fund. A cost of living adjustment has been built into the plan for all employees in the general fund every year starting in FY2015/2016 and health insurance has been increased and capped at 5%.

The Five Year Plan does not tackle many of the maintenance and under-staffing issues that currently hamper the County's ability to deliver quality service in some areas. If the economic outlook improves, these issues will need to be addressed.

There are a number of variables that could have a detrimental effect on the budget in the coming years. Listed below is a brief description of each.

- Continued property value devaluation.
- State revenue sharing and funding for fiscally constrained counties. Loss of or a reduction of this funding is a possibility with future legislatures.
- Health care costs. The Affordable Health Care Act continues to be a serious unknown as to the final cost to the County. The proposed budget was increased to compensate for the first mandate for insuring all employees. A 5% rate increase each year is used in the Plan.
- Race Track Funding. This revenue has been stable for a long time, but speculation is that the greyhound racing industry is declining and will likely close up shop in Florida in the future.
- The Sheriff's Fund is currently forecast to stay below fund balance policy until it goes in the negative; tough decisions have not been made.
- Medicaid payments for ambulance service have decreased over the past couple of years. If this trend continues, the burden will be put back on the general tax base to overcome this revenue loss.
- One Cent Sales Tax renewal. The current discretionary sales tax ends December 31, 2017. Renewal of this sales tax is a major concern. Public awareness of the benefits of the One Cent Sales Tax funding is crucial to the renewal of this vital funding. Currently, plans are to have the One Cent Sales Tax renewal put on the 2016 ballot. If this revenue source is lost then capital projects and public safety equipment replacement will not be possible without a tax increase elsewhere.
- The Sewer collection system has 76 lift stations with the majority of these being 10 years old or older. To date, we have re-plumbed and re-lined one lift station at a cost of \$100k, while one other station is currently undergoing replacement at a cost of \$300k.. A system wide failure is a real possibility as funding has not been dedicated in the past for major maintenance or replacement of lift stations.

General Fund Five Year Plan

Forecast:

This fund may reach and sustain the Board's fund balance goals in FY2013/2014. If there are any unforeseen costs such as weather related disasters or uncontrolled costs related to the contamination cleanup, this fund balance goal will not be met. It is anticipated that future expenditure growth will outpace revenue growth thus a decline in the fund balance is shown each year.

Revenue Assumptions

- Millage rate remains at 8.5 mills, of which, less than 1 mill is assigned to this fund.
- Property values level in FY2015/2016 and tick up by 1% in FY2016/2017 and 2% thereafter.
- PST and CST rates remain the same.
- PST and CST revenue is predicted to increase 2% each year due to population growth.
- The Half Cent Sales taxes are forecast to increase 2% each year.
- Fiscally Constrained funding is forecast to remain at the same level.
- Charges for services are forecast to increase 2% each year.

Expense Assumptions

- Employee cost of living adjustments are forecast every year at 2%.
- General expenses are forecast to increase 2% each year based on the consumer price index.
- Health insurance is forecast to increase 8% each year, of which the Board absorbs 5% of the increase.
- The soil contamination cleanup project should be completed by FY2015/2016.
- Facilities Management department is forecast to increase its maintenance service level of all buildings beginning in FY2014/2015. Funds have been set aside for air conditioning unit replacement and energy efficient fixtures.

Building Department Fund

Forecast:

The fund balance for this fund has grown to a considerable amount. In the current year, FY2013/2014, the BOCC approved lowering the permit and inspection fees in order to deplete some of this fund balance. This will also have the effect of assisting the County's citizens in cost-savings related to building and development plans and hopefully spur economic growth. The reduction in fees did not have the desired effect.

The forecast is for a steady decrease in fund balance for the next 5 years. The economic recovery and housing market growth will determine when or if fees will need to be increased again. This forecast considers an increase in fees starting in FY2015/2016 and continuing each year with an increase till the fund stabilizes.

Revenue Assumptions

- Forecast 2% housing start growth each year.
- Forecast 3% increase in permits in FY2014/2015.
- Forecast 5% increase each year after.

Expense Assumptions

- Employee cost of living adjustments are forecast every other year at 2%.
- General expenses are forecast to increase 2% each year based on the consumer price index.
- Health insurance is forecast to increase 8% each year of which the Board will absorb 5% of the increase.

Major Special Revenue Funds Five Year Plan

Sheriff's Fine and Forfeiture Fund

Forecast:

This fund is forecast to have a negative fund balance in FY2016/2017 and beyond. Anticipated cuts of \$150,000 in FY2013/2014 and FY2014/2015 will provide a small surplus of fund balance in the following years.

Revenue Assumptions

- Millage rate remains at 8.5, of which, 7.4 mills is assigned to this fund.
- Property values level in FY2015/2016 and tick up by 1% in FY2016/2017 and 2% thereafter.
- Forecast receiving \$2,000,000 in Jail Bed revenue each year. This assumes that a contract will be signed with ICE in the near future for either guaranteed minimum revenue or an increase in per diem rates.

Expense Assumptions

- General expenses are forecast to increase 2% each year based on the consumer price index.

Road Department Fund

Forecast:

This fund has finally recovered from deficit fund balances and all sub-funds within this fund should reach full fund balance at the end of the five year forecast.

Revenue Assumptions

- Forecast 2% for all revenues each year.

Expense Assumptions

- General expenses are forecast to increase 2% each year based on the consumer price index.

Fire MSBU Fund

Forecast:

This fund is forecast to deplete its fund balance over the 5 year period. Major needed projects are planned that will cause this fund balance decline. This fund is not able to sustain increasing operating costs and the need to replace Capital Equipment.

Revenue Assumptions

- Forecast 2% growth due to population growth each year.
- Forecast an increase in the MSBU Fee from \$75 to \$80 in FY2016/2017 to keep pace with inflation.

Expense Assumptions

- General expenses are forecast to increase 2% each year based on the consumer price index.
- Health insurance is forecast to increase 8% each year of which the Board will absorb 5%.

Major Capital Project Funds Five Year Plan

One Cent Sales Tax Fund

Forecast:

This fund is forecast to deplete its fund balance over the 5 year period in anticipation of the expiration of the tax December 31, 2017. The plan includes putting the renewal of the sales tax on the 2016 ballot prior to its expiration. If the sales tax is renewed in 2016, the long range plan will involve restoring a healthy fund balance.

Revenue Assumptions

- Forecast 2% growth each year.

Expense Assumptions

- General expenses are forecast to increase 2% each year based on the consumer price index.
- Expenses associated with oil and fuel costs are anticipated to rise which will drive up the cost of paving roads or limit the number of miles we will be able to pave.

Road Paving Grant Fund

Forecast:

The forecast of this fund is based on the Florida Department of Transportation’s Five Year Plan. This plan is dependent upon approved funding levels by the Legislature and is subject to change.

Revenue Assumptions

- No assumptions are made at the County level.

Expense Assumptions

- No assumptions are made. The expenditures will match the funding levels set by FDOT.

Enterprise Funds Five Year Plan

Sewer Fund

Forecast:

This fund has finally recovered from deficit fund balance and is forecast to sustain a positive fund balance through the 5 year plan period. A much needed plant expansion has been incorporated into this model as the U.S.D.A. grant/loan proposal has been approved. The long range outlook for this fund will substantially improve, allowing for much needed over haul of aging lift stations.

Revenue Assumptions

- Forecast 2% increase due to population growth.

Expense Assumptions

- General expenses are forecast to increase 2% each year based on the consumer price index.

Riversink Water Fund

Forecast:

This fund is forecast to sustain a positive fund balance through the 5 year period. Any significant mechanical or equipment failures will deplete fund balance.

Revenue Assumptions

- Forecast 2% increase due to population growth.

Expense Assumptions

- General expenses are forecast to increase 2% each year based on the consumer price index.

Solid Waste Fund

Forecast:

This fund has finally recovered from deficit fund balance and is forecast to sustain a positive fund balance through the 5 year plan period. The capping of the landfill, as required by Florida Department of Environmental Protection, is a project that may endanger the success of this fund depending on the final costs of the project.

Revenue Assumptions

- Forecast 2% increase due to population growth.
- An increase in the \$196 fee is not planned although WastePro's contract allows for the company to request a rate increase which would need Board approval.

Expense Assumptions

- General expenses are forecast to increase 2% each year based on the consumer price index.
- Financing of the landfill closure project is feasible with the current cost estimates. Any significant changes to these costs will be problematic for this fund.
