

Connections

regional mobility plan **2040**

Connections 2040 is your opportunity to shape the transportation network in Gadsden, Jefferson, Leon, and Wakulla Counties. Connections 2040 is the Capital Region's Regional Mobility Plan and will include recommendations for a variety of transportation options, including roads, bicycle facilities, pedestrian facilities, transit, airports, freight facilities, and others.

Also known as a Long Range Transportation Plan, this project sets the vision, strategy, and capital improvement program that guides the investment of public funds in transportation facilities.

Please visit www.Connections2040RMP.com, www.Facebook.com/Connections2040, or www.CRTPA.org for more information and for ways to participate and provide input
