320.0848 Persons who have disabilities; issuance of disabled parking permits; temporary permits; permits for certain providers of transportation services to persons who have disabilities.—

(1)(a) The Department of Highway Safety and Motor Vehicles or its authorized agents shall, upon application and receipt of the fee, issue a disabled parking permit for a period of up to 4 years, which period ends on the applicant's birthday, to any person who has long-term mobility impairment, or a temporary disabled parking permit not to exceed 6 months to any person who has a temporary mobility impairment. No person will be required to pay a fee for a parking permit for disabled persons more than once in a 12-month period from the date of the prior fee payment.

(b)1. The person must be currently certified as being legally blind or as having any of the following disabilities that render him or her unable to walk 200 feet without stopping to rest:

a. Inability to walk without the use of or assistance from a brace, cane, crutch, prosthetic device, or other assistive device, or without the assistance of another person. If the assistive device significantly restores the person's ability to walk to the extent that the person can walk without severe limitation, the person is not eligible for the exemption parking permit.

b. The need to permanently use a wheelchair.

c. Restriction by lung disease to the extent that the person's forced (respiratory) expiratory volume for 1 second, when measured by spirometry, is less than 1 liter, or the person's arterial oxygen is less than 60 mm/hg on room air at rest.

d. Use of portable oxygen.

e. Restriction by cardiac condition to the extent that the person's functional limitations are classified in severity as Class III or Class IV according to standards set by the American Heart Association.

f. Severe limitation in the person's ability to walk due to an arthritic, neurological, or orthopedic condition.
