

Medical Director

The Medical Director of Wakulla County EMS is Michael Lusko, DO. He is Board Certified as a Fellow of the American College of Physicians. Dr. Lusko is a graduate of Kansas City College of Osteopathic Medicine. He has a varied background as an Emergency Department physician in several locations including Tallahassee Memorial Hospital. Currently he has taken special training in wound care. In addition to his role as an Emergency Department physician, he has been appointed as the Director for wound care management at Baptist Medical Center. As an adjunct to his hospital career, Dr. Lusko is also the physician in charge of Airway Management for the NFL Jaguars football team in Jacksonville. He is also responsible for the airway management of all visiting teams. In his spare time, Dr. Lusko enjoys sports cars, antique cars and sailing.
