

## **System Hospitals**

Wakulla EMS is the only Emergency Medical Services care available in Wakulla County after 5:00 pm. During business hours, citizens have access to the Wakulla County Health Department and to several local Physician's offices. Fortunately, there are two hospitals located in Leon County, which borders the north edge of Wakulla County.

Together the hospitals offer the citizens of Wakulla County:

- A Level II Trauma Center
- Cardiovascular Centers
- A Pediatric Specialty floor
- Woman's Pavilion and Birth Centers
- Mental Health Facilities
- Cancer Centers
- Other areas of specialization
