Wakulla County Seeks Citizen Input on the 2009 Board Priorities Action Plan

Crawfordville, Florida – On December 8, 2008, the Board of County Commissioners held it's annual retreat to set the organization's priorities for the 2008/2009 Fiscal Year. After successfully identifying the priorities, the County Administrator made staff assignments for the priority issues and action plans have been developed.

During the January 20, 2009 Board Meeting, the Board ratified the 2009 Board Priorities and directed staff to publicize the 2009 Action Plans to allow for citizen input and recommendations. The 2009 Action Plans contain specific activities for staff to follow in order to accomplish the Board Priorities. "We encourage our citizens to participate in this very important process, as your contributions will assist us in achieving these priorities", said Benjamin H. Pingree, County Administrator.
