### **Wakulla County- 1st Public Meeting Regarding Regional Mobility Plan**

**Thursday, April 16, 2009 at 5:00 pm EDT**

In conjunction with the Capital Region Transportation Planning Agency (CRTPA), Tallahassee-Leon, and other surrounding jurisdictions, Wakulla County has been active in the preliminary development stages of a regional effort towards what is known as the Regional Mobility Plan. The April 16, 2009 meeting is intended to help the citizens of Wakulla County familiarize themselves with the Regional Mobility Plan and will allow a platform for any questions citizens may have about the Plan.

This meeting will provide an overview of the Regional Mobility Plan process and an introduction to the project and project team. The existing condition within the region will be presented as part of the background information. Participants will be asked to provide input into the issues and opportunities facing the region, and begin the identification of community values. This effort will encompass small group break-out sessions and participation in a 'Community Choices' survey. Citizens will also have opportunities to provide input on the Regional Transit Study and upcoming changes to StarMetro routes.

**Location: Shadeville Elementary School, 45 Warrior Way, Crawfordville, FL 32327**

**Duration: 2 hours**
