### Sopchoppy River Bridge Is Now Re-Open

Crawfordville, Florida – The Wakulla County Board of County Commissioners announces the re-opening of the Sopchoppy River Bridge on Highway 375. The Bridge was closed in December of last year due to an accident that occurred on the bridge causing a section of the guard rail to be damaged.

The recent repairs were a joint effort by Wakulla County Public Works and the City of Sopchoppy. While this is just a temporary repair, permanent repairs are in the planning stages. “It’s great to see the bridge is now re-opened, it was greatly needed by the residents”, said Commissioner Mike Stewart.”
