

PUBLIC MEETING NOTICE

The Capital Region Transportation Planning Agency (CRTPA) and its planning partners understand the need to guide the future of public transportation in the region. As the region continues to grow, there is an increasing need to develop a long term transit vision within **Leon, Gadsden, Jefferson, and Wakulla** counties and to coordinate urban and rural transit services.

The CRTPA has undertaken a four-county Regional Transit Study, which began in February 2009. Please join us at any one of the following open house meetings to provide your input on the study's findings. You may also visit the project website to view the study materials and provide comments at **www.crtpa.org**.
