

# Staff Spotlight on: *Scott Joyner, Library Services Coordinator*

Shining a light on the citizens that serve our community every day...

## Library Services

**Scott Joyner has been the Library Services Coordinator at the Public Library since July 2007. He is responsible for all of the day to day duties of running the Library such as purchasing, community outreach, collection development, scheduling of the meeting rooms, and he reports directly to Public Services Director Doug Jones. During Scott's tenure at the Library he brought back the popular Friday Night Movies program, started a weekly e-mail newsletter of Library events, and opened a FaceBook page for the Library to help promote Library events and meetings. Along with his great staff, Scott strives to continue to find ways for the Library to provide the services to the public which allow them to entertain themselves and improve their life. These services include, offering computer classes and children's programs, maintaining a balanced up to date collection, and providing a space for all sorts of groups to meet openly, all of which are free to the public and open to anyone who wishes to participate.**

**A native of Tallahassee and a 1992 graduate of Rickards High School, Scott managed Barnaby's Family Inn in Tallahassee while pursuing his degree in Political Science from Florida State University, which he received in 2005. He also worked at Books-A-Million before coming to Wakulla County to work at the Library. He's excited to have a job which combines his love for books, and his managerial experience, with an opportunity to have an impact on the community, and to actively serve the public. Scott is currently pursuing his Master's in Information Science from Florida State which he is on track to receive in April of 2011.**

**Scott's family includes his mother Helen, sister Betsy, 3 nieces, (Ciara 13, Laurin 7, and Ashlyn 6) and nephew Dalton 11. He enjoys all kinds of sports (especially Florida State athletics and Atlanta Braves baseball), spending time with his nieces and nephew, reading, and watching movies. He is on the Board of the Wakulla County Historical Society, and a member of the Friends of the Wakulla County Public Library. Scott has an open door policy and hopes that any citizen of Wakulla County who has questions, concerns, or ideas for the Library feels, free to stop by and talk to him.**
