## **Agenda Request**

Date of Meeting: April 5, 2010

Date Submitted: March 19, 2010

To: Honorable Chairman and Members of the Board

From: Commissioner Kessler

Subject: Request Board Approval to Adopt a Resolution Encouraging the Limitation of Vehicle Idling

---

### **Statement of Issue:**

This agenda item requests Board approval to adopt a Resolution encouraging the limitation of idling in vehicles.

### **Background:**

Idling wastes gas and pollutes our environment.

### **Analysis:**

Gasoline is again nearing \$3.00 a gallon and it is predicted that the price will be closer to \$4.00 within the next 12 months. Wherever the price of gasoline will be it will not be cheap. Reducing vehicle idling is a simple way to reduce gasoline consumption. Reduced gasoline consumption reduces dollars sent overseas and leaves more money in our County and Country. In addition, it results in a lesser pollution of our air.

### **Options:**

1. Vote to adopt the Resolution supporting the reduction of idling.
2. Do not vote to adopt the Resolution supporting the reduction of idling.
3. Board Direction.

### **Recommendation:**

Option #1

### **Attachment:**

1. Proposed Resolution
