Thanks Colleen, and the very same to you as well. And thanks for your help during the year, it is always a pleasure to work with you. I will just assume we will submit our budget at the same time.

Colleen,  
Should I assume the Commission would want our budget submission at the same time?

To All Constitutional Officer's

On May 19, 2008 the Board of County Commissioner's directed staff to prepare a Resolution that would require all Constitutional officers to submit their tentative budgets by May 1, as opposed to June 1<sup>st</sup> as allowed under Florida Statute 129.03 (2). The Board also directed that we seek input in the process from the Constitutional Officers affected by this change. The survey attached will help us ascertain what impact the moving of this budget submission date will have on your offices. The resolution, if passed, will require the Clerk of the Circuit Court, Supervisor of Election, Property Appraiser (optional), Sheriff, and the Tax Collector to submit their tentative budgets for the ensuing fiscal year by May 1, of each year. Please complete the survey and e-mail your response back to us by January 9, 2009.

Thank you for your prompt attention to this request.
