Chris,

I am sitting with Doug Shaffer and we just priced a 2011 Hino 338 with same specs as the truck you are quoting in a 2010. The sale price of a 2011 is \$69,995 which includes the Florida Sherriff Association discount. If this truck was ordered today it would ship mid-November. Price of truck and grapple loader will be \$119,500.00

Call me with any questions.

Make it a great day!
