Subject: New F250 Truck Quote

Mr. Neil Watts
ESG Operations Inc.,

Thank you for your request for a price quote on the new truck you need for Wakulla County. We will be happy to supply you with a new 2010 Ford F250 XL 4X4 Crew Cab Long Bed pickup. I am attaching a window sticker so you can see the standard and optional equipment. We will also be adding a 12,000 pound Warn winch and brush guard, and strobe lights in both headlights and tail lights.

Your total price on this truck will be \$37,949.27. This price does not include any sales tax, tag, or title, but does include all Ford Motor Company fleet and municipal incentives.

This truck is in stock at another dealer and delivery time would be 3 to 5 days after receiving your purchase order to get the truck here and add the winch, brush guard and lights. I was unable to quote a price on ordering a 2010 truck as Ford is not accepting any further orders on the 2010 model. Please call me with any questions at 850-590-8254.

Thank You,

John Tucker
