

# Board of County Commissioners

## Agenda Request

Date of Meeting: September 7, 2010

Date Submitted: August 30, 2010

To: Honorable Chairman and Members of the Board

From: Commissioner Stewart

Subject: Paving of Bream Fountain Road

---

### **Statement of Issue:**

This agenda item requests Board approval to authorize the paving of Bream Fountain Road.

### **Background:**

Bream Fountain Road is approximately ½ mile in length and runs along side the BOCC Complex connecting from Crawfordville Highway to Rehwinkle Road.

### **Analysis:**

Bream Fountain Road is an unsafe dirt road in the middle of our County seat. The County has acquired the adequate right of way to pave this road as a one way road from Crawfordville Highway to Rehwinkle Road.

The following is a breakdown of the approximate cost to pave Bream Fountain Road for safe one way traffic (14'): \$28,000 for asphalt and \$7,500 for the road base material, for an estimated total of \$35,500. It has been determined that funds are available in the "Alternative Paving Projects" Fund (317-ROAD.7000-0C-20.541.5630190K).

### **Options:**

1. Approve to pave Bream Fountain Road as a one way road from Crawfordville Highway to Rehwinkle Road.
2. Do not approve paving of Bream Fountain Road as a one way road from Crawfordville Highway to Rehwinkle Road.
3. Board direction.

### **Recommendation:**

Option #1
