**OVERVIEW:**

Wakulla County, Florida is accepting written proposals from all qualified and interested professional Attorney's At Law to provide legal services to the Wakulla County Board of County Commissioners (BoCC). The successful party will provide the professional services described herein in support of the County. Historically, the Wakulla County BoCC has used an outside attorney to serve as County Attorney. The County Attorney has not been an employee of the County and has not been entitled to benefits available to other employees of the Wakulla BoCC. It is the current intent of the Wakulla BoCC to hire an outside attorney to serve in such capacity. However, the BoCC reserves the right to reject any and all proposals in the event it determines to have the County Attorney serve as an employee of the County or to enter into negotiations with any proposer to serve as an employee of the County. All work will be contracted within the terms, conditions, scope of work and other applicable requirements set forth by the Board of County Commissioners and/or its designee. The successful party will demonstrate qualifications, experience and abilities to successfully accomplish and support all aspects of the prescribed scope of work

Parties interested in preparing a response to this RFP must complete the requirements set forth in the attached documents. Under the proposal process of Wakulla County, the conditions as set forth herein are binding to the proposer to the extent you confirm acceptance by your binding signature, by an officer, on the cover letter.

Wakulla County welcomes your response. The County reserves the right to reject any proposal found to be non-responsive, vague or non-conforming. The County also reserves the right at any time to withdraw all or part of this proposal request in order to protect its best interests. The County is not liable for any costs incurred by the party in preparing its response, nor is a response an offer to contract with your firm. Pursuant to Chapter 119, Florida Statutes, all proposal responses are subject to open records laws.

Notice of the intended award is provided through an agenda item to the Board of County Commissioners containing a recommendation of award. The agenda for each meeting of the County Commission is available on the County website at mywakulla.com. A firm may request, in their RFP submittal, a copy of the RFP tabulation sheet to be mailed in a responding firm-provided, stamped self-addressed envelope for their record.

**AGREEMENT:**

The County will consider the qualifications of each firm with regard to the services required by the County, and so may choose one firm according to which firm best fits the needs of the County. The selected firm will serve as the County's Attorney for a two (2) year term period with an option for two (2) additional one (1) year term extensions.

After the RFP selection, the County will, at its option, prepare an agreement specifying the terms and conditions resulting from the award of this RFP. Every procurement of contractual services shall be evidenced by a written agreement.

The performance of Wakulla County or any of its obligations under the agreement shall be subject to and contingent upon the availability of funds lawfully expendable for the purposes of the agreement for the current and any future periods provided for within the agreement.

Wakulla County may terminate this Contract without cause, by giving the Respondent sixty (60) days written notice of termination. Either party may terminate this Contract for cause by giving the other party hereto sixty (60) days written notice of termination. The County shall not be required to give Contractor such sixty (60) day written notice if, in the opinion of the County, the Contractor is unable to perform its obligations hereunder, or if in the County's opinion, the services being provided are not satisfactory. In such case, the County may immediately terminate the Contract by mailing a notice of termination to the contracted firm.

Contractor understands that no amount of work is guaranteed to it nor is the County under an obligation to utilize the services of the Contractor in those instances where the work to be performed can be done by County personnel or under separate contract.

**AUDITS, RECORDS, AND RECORDS RETENTION:**

The Contractor agrees:

1. To establish and maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices, which sufficiently and properly reflect all revenues and expenditures of funds provided by the County under this contract.
2. To retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for a period of five (5) years after termination of the contract, or if an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this contract.
3. Upon completion or termination of the contract and at the request of the County, the Contractor will cooperate with the County to facilitate the duplication and transfer of any said records or documents during the required retention period as specified in paragraph 1 & 2, above. Cost to copy documents will be the responsibility of the Wakulla County BoCC.

4. To assure that any records pertaining to the Wakulla County Board of County Commissioners shall be subject to inspection, review, or audit by Federal, state, or other personnel duly authorized by the Board of County Commissioners.

MONITORING:

To permit persons duly authorized by the County to inspect records, papers, documents, facilities, goods, and services of the provider which are relevant to this contract and to the Wakulla County Board of County Commissioners and interview any employees of the provider to assure the County of satisfactory performance of the terms and conditions of this contract.

Following such evaluation, the County will deliver to the provider a written report of its findings and will include written recommendations with regard to the provider's performance of the terms and conditions of this contract. The provider will correct all noted deficiencies identified by the County within the specified period of time set forth in the recommendations. The provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the County, result in any one or any combination of the following: (1) the provider being deemed in breach or default of this contract; (2) the withholding of payments to the provider by the County; and (3) the termination of this contract for cause.

RIGHT TO INSPECT PLACE OF BUSINESS:

The County may, at its discretion, inspect the part of place of business of a contractor or any subcontractor which is related to the performance of any contract awarded, or to be awarded, by Wakulla County. The right expressed herein shall be included in all contracts or subcontracts that involve the performance of any work or service involving Wakulla County.

ASSIGNMENT:

This contract shall not be assigned or sublet as a whole or in part without the written consent of the County, nor shall the Respondent assign any monies due or to become due to him hereunder without the previous written consent of the County.

HOLD HARMLESS:

The Respondent agrees to indemnify and hold harmless the County from all claims, damages, liabilities, or suits of any nature whatsoever arising out of, because of, or due to the breach of this agreement by the Respondent, its delegates, agents or employees, or due to any act or occurrence of omission or commission of the Respondent, including but not limited to costs and a reasonable attorney's fee. The County may, at its sole option, defend itself or allow the Contractor to provide the defense. The Contractor acknowledges that ten dollars (\$10.00) of the amount paid to the Contractor is sufficient consideration for the Contractor's indemnification of the County.

ETHICAL BUSINESS PRACTICES:

- a. Gratuities. It shall be unethical for any person to offer, give, or agree to give any County employee, or for any County employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or performing in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, subcontract, or to any solicitation or proposal therefore.
