RE: Addendum #4

Requests for Information and Answers:

1. Are there any specified wage rates on this project?

No.

2. Are the MBE/WBE percentages goals or requirements?

Goals.

3. Is there a minimum percentage of work required to be performed by the prime contractor's own forces?

No.

4. Can the owner provide a cost estimate for required permits or an allowance account for permits?

No. It is the bidder's responsibility to investigate necessary permits and their associated costs.

5. Should FDEP Appendices G and H (Spec Section 00805) be submitted with bid?

These are not required for submittal as part of the bid proposal, however they will be required as part of the evaluation for recommendation of the apparent low bidder.

6. How many project signs are required?

One.

7. Is there a measurement and payment section that can be provided?

Measurement and payment is discussed in “Pay Item Notes” on plan sheet 2, and in specification sections relating to each pay item.

8. Are soil boring samples available for project area?

No soil borings have been made to date.
