

The Wakulla County Board of County Commissioners would like to solicit letters of intent from aviation planning firms to develop an Interactive Airport Layout Plan System and associated Airport Layout Plan drawing set for the Wakulla County Airport. Interested firms shall identify by client and specific airport a minimum of three past similar efforts within the State of Florida. Letters will briefly include qualifications, past experience and knowledge of FDOT and FAA ALP requirements for digital ALPs. Letters shall be no longer than (3) pages and concisely include the above information. There are no minority participation requirements for this project. All letters are due in the Wakulla County Board office located at 3093 Crawfordville Highway, Crawfordville, Florida 32327 or mailed to P.O. Box 1263, Crawfordville, Florida 32326 no later than 2:00 p.m. on November 21, 2006.
