

Monetary Awards for Reducing Costs and Conserving Energy

(All County Employees, Contractors, and VFD's are eligible)

Award for Creative Cost Cutting

Win \$1000 for proposing and implementing a new way to reduce periodic or ongoing county expenditures (not merely postpone costs).

Required Information:

Describe your cost-saving action and when it was put into place. (A proposal may satisfy if Board action is required for implementation.)

Describe how much was being expended before the action, how much will be expended after the action, and the expected savings.

Describe the savings as a percentage of your total budget expenditures for the same time period.

Include the name and contact information for the entrant.

Entry Deadline: January 1, 2011

Date of Award: First BoCC Meeting in January, 2011

Energy Conservation Award

Win \$1000 for reducing annual use of energy (electricity, fuel, or both).

Required Information:

Describe your energy conservation action and when it was put into place.

Document how much was expended for electricity and/or fuel during 2009-2010.

Describe how much was expended for electricity and/or fuel during 2010-2011.

Report the reduction in electricity and/or fuel use -- and the resultant monetary savings.

Describe the savings as a percentage of your total budget expenditures for the same time period.

Include the name and contact information for the entrant.

Entry Deadline: November 15, 2011

Date of Award: First BoCC Meeting in December, 2011

How to Enter:

Submit all entries to Commissioner Lynn Artz by email (lartz@mywakulla.com), fax (926-0940), mail (P.O. Box 1263), or hand deliver. *Entries must be received by the entry deadline.*
