

Program Status and contact for additional information – Eva Thorpe (850) 926-9500,
Wakulla County Grants Coordinator, Office of Management and Budget

The Department of Environmental Protection provided grants funding to the City of Sopchoppy for the construction of a Domestic Wastewater Collection System and a transmission line to the County's treatment facility, within the limits of the City of Sopchoppy and related other lands, to serve 253 residential and 4 commercial customers. This project is partnering with the County to supplement the Community Development Block Grant – Economic Development Project to provide this service to the new Buckhorn Development businesses.
