

BE A SPONSOR OF THE

2008 Weatherization Day

1st Annual

Golf Tournament

Through a Sponsorship you will be supporting the Wakulla County Weatherization and Low income energy assistance program. All proceeds will benefit the Wakulla County Weatherization Program in its efforts to assist low income families to reduce their energy burden. Our goal is to help local families on a limited income to become more energy efficient, by reducing their high energy burden. It helps to conserve energy and save our natural resources and reduce our dependency on foreign oil.

A sign with the sponsors name will be displayed on the golf course. All sponsors information will be in a brochure provided to all attendees at the tournament and awards luncheon following the tournament.
