

EMPLOYMENT OPPORTUNITIES

PROJECT ENGINEER

The Wakulla County Board of County Commissioners is seeking qualified applicants for a Project Engineer position in the County Administrators' Office. This is a full-time professional position, which involves assisting the County with engineering, construction and grant projects in multiple areas, but specifically those in regard to public works, parks and recreation and facilities infrastructure. Special projects will be assigned to this position as warranted by the County Administrator.

The successful applicant will be knowledgeable in one or more areas related to project cost development for construction projects; assist with the development of procurement documents, assist with grant applications and management specifically related to the RESTORE Act program; conducting research and work with and assist consultant engineering firms in designing, planning and permitting of construction of projects.

Minimum qualifications include 18 years of age, high school graduate, a Bachelor's Degree (B.A.) in Civil Engineering and/or 3 years of applicable experience, or an equivalent combination of education and experience. Must be proficient with Microsoft Office, AutoCAD and GIS Mapping.

To apply, send a Wakulla County application to: Human Resources, P.O. Box 1263, Crawfordville, Florida 32326. County applications are available at: www.mywakulla.com or at the County Administrator's Office, 3093 Crawfordville Highway, Crawfordville, Florida 32327. Drug screening is required. Veteran's Preference will be given to qualified applicants. Wakulla County is an Affirmative Action/Equal Opportunity Employer. Salary will be based upon qualifications and experience. Closing date for this position is Wednesday, November 1, 2017 at 5:00 p.m.
