Dear Applicant:

After reviewing the above referenced Application for Site Plan Approval, staff has determined that the revisions to the development plans comply with the standards set forth in the Wakulla County Land Development Code and is hereby approved on October 17, 2017.

This approval is for the expansion of the existing storage facility, as shown on the site plan drawing prepared by Hydra Engineering & Construction, LLC, dated September 28, 2017, on a 3.9+/- acre parcel of land, located at 3291 Crawfordville Highway. Future additions to the Subject Property or expansions must comply with applicable sections of the Wakulla County Code and Wakulla County Comprehensive Plan.

Please be aware that as a condition of approval, all other applicable state or federal permits must be obtained before development commences. The issuance of a local permit does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the county or municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

An appeal of this decision made by any aggrieved person must be filed within 30 days from the effective date of said decision for review of same in accordance with applicable provisions Section 3-23, Wakulla County Land Development Code.

Please be advised, any actions taken by you in reliance upon the County's decision prior to the expiration of the appeal period is solely at your own risk. If an appeal of the County's decision is filed, all work in reliance upon said decision, must be stopped at the project site until the appeal runs its course. The Department of Planning & Community Development will advise you of any appeals filed by a third party against your proposed application once they were received by that office.
