An appeal of this decision made by any aggrieved person must be filed within 30 days from the effective date of said decision for review of same in accordance with applicable provisions Section 3-23, Wakulla County Land Development Code.

Please be advised, any actions taken by you in reliance upon the County's decision prior to the expiration of the appeal period is solely at your own risk. If an appeal of the County's decision is filed, all work in reliance upon said decision, must be stopped at the project site until the appeal runs its course. The Department of Planning & Community Development will advise you of any appeals filed by a third party against your proposed application once they were received by that office.
